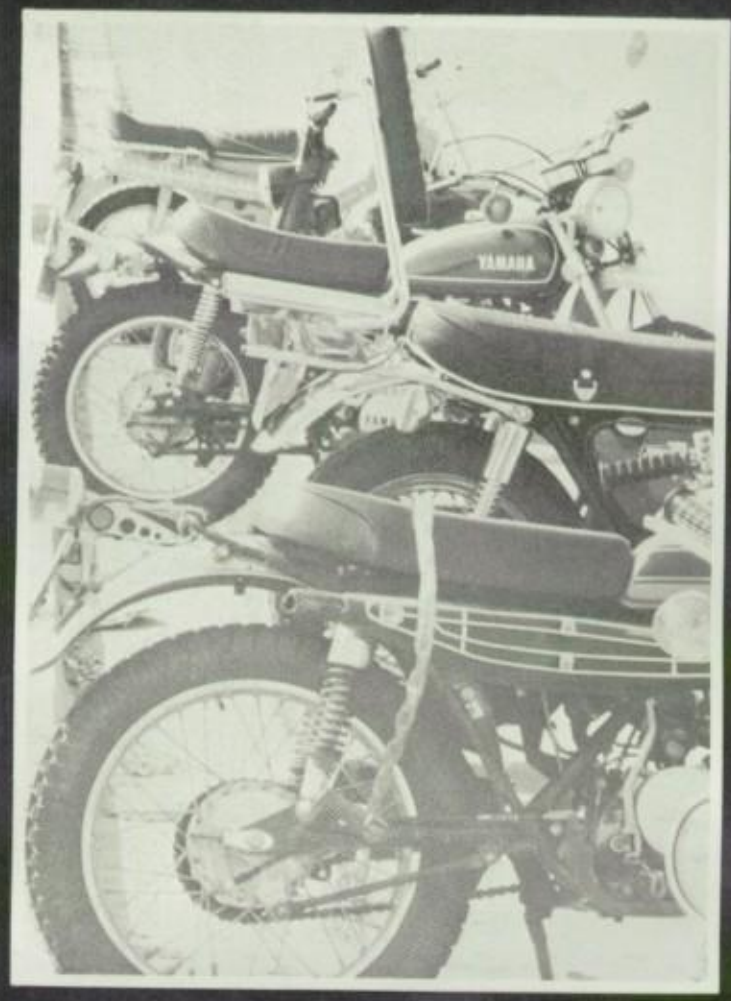
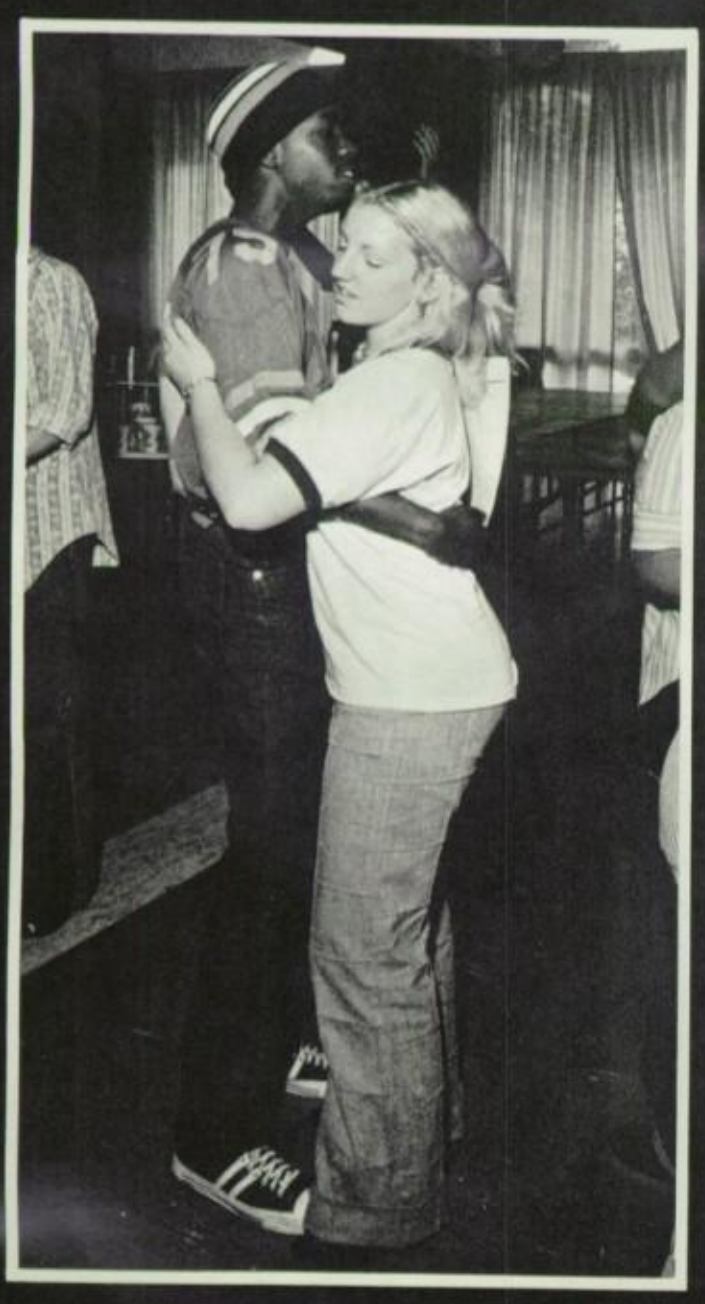
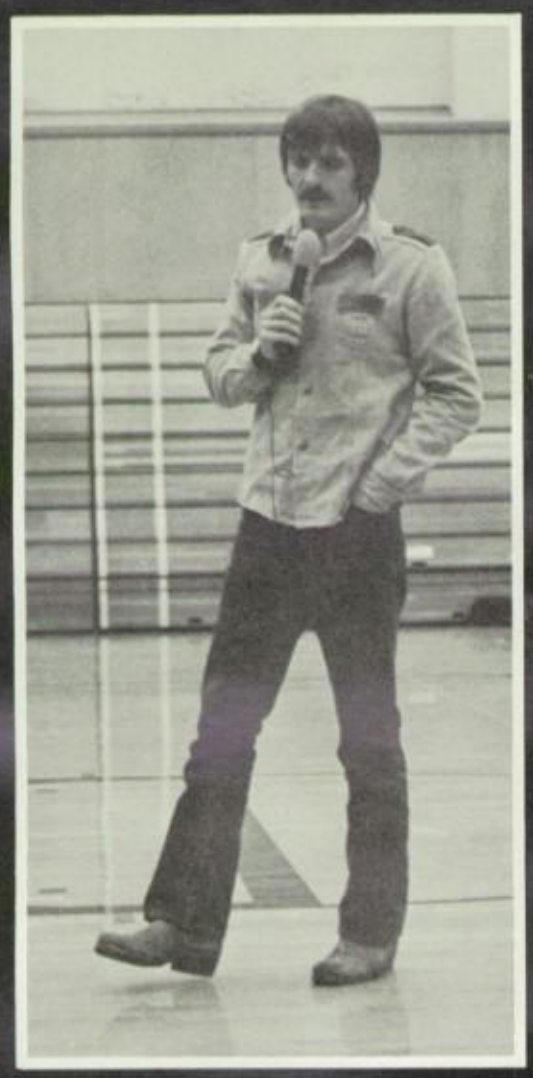
NEW YEAR....







NEW EXPERIENCES

SIX BUS LOADS

of Mount Eden High Seniors arrived at Little Hills Ranch about 9:30 a.m. on October third to begin a fun-filled day. Immediately they headed for their favorite area. Most participated in the usual activities such as, football, softball, soccer, volleyball, frisbee and even some "swinging . . ." Those who were brave headed for the pool area. While many crept off into the hills. Food was abundant as usual, but what made the picnic different was the live music provided by Bennie and his "gang".

"GET DOWN, GET DOWN"

BSU and the Philipino Club have hosted the majority of the dances at Mt. Eden this year. Dances have been more successful and popular then in the past.

Not only did dances bring in needed money for scholarships and club sponsored activities but brought people together to have a good time.

1. Even though Mt. Eden students weren't the only ones who attended dances sponsored by our clubs, everyone had a good time.
2. Lisa Powell "Bumps".
3. BSU held a best dressed contest at one of their dances.
4. Getting down!
5. Carlton Booker shows his date the way.
6. Mt. Eden alumni even return to support school activities.
7. Brenda Saltiaban checks out her partner.
8. Smilen!
9. Lorie Brown and her partner dance to the music.
10. Rosie Saunders and her friend relax and enjoy themselves.

Class of '79

The Freshmen class in a coordinated effort, errupted into an

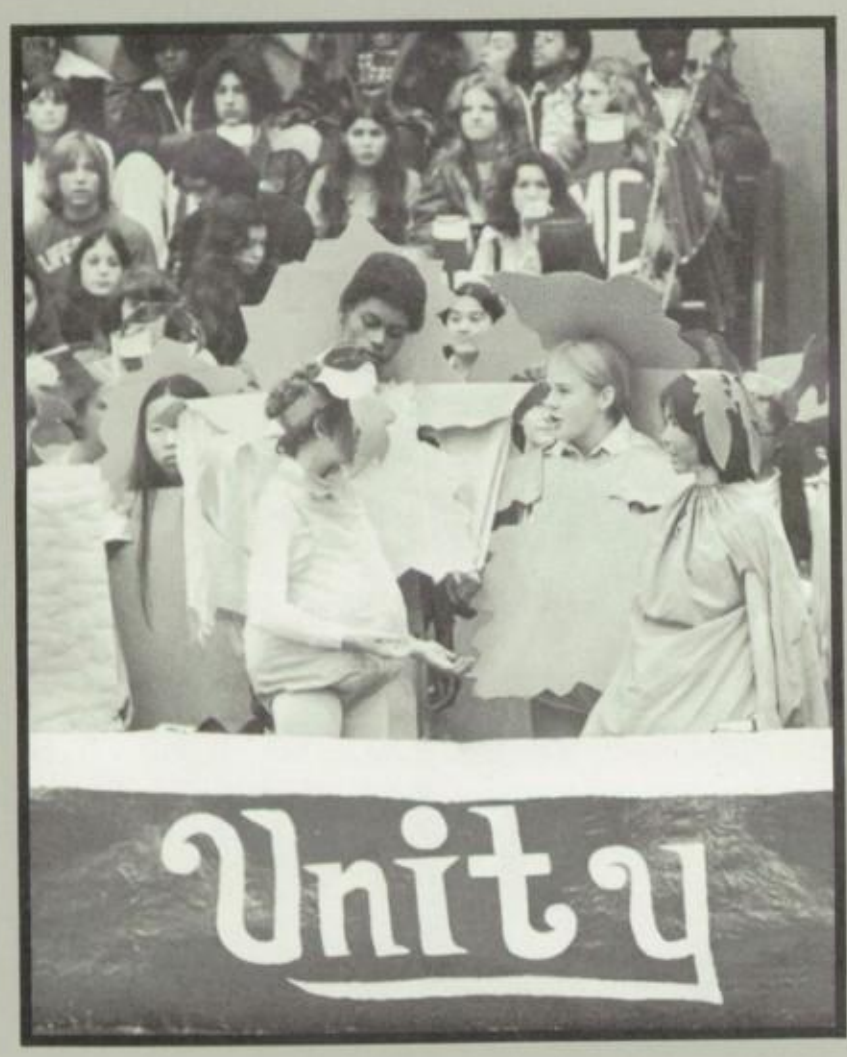
EARTHSHAKING THIRD PLACE.

Divided into two shades of blue, the Freshmen were drawn together in their common belief of the Goddess of Peace. Spewing forth from her giant volcano, the Goddess appeared to spread the word of Peace and Unity among her people.

With the help of the Green Goddess Mt. Eden's sophomore class was tossed into unity. Using a

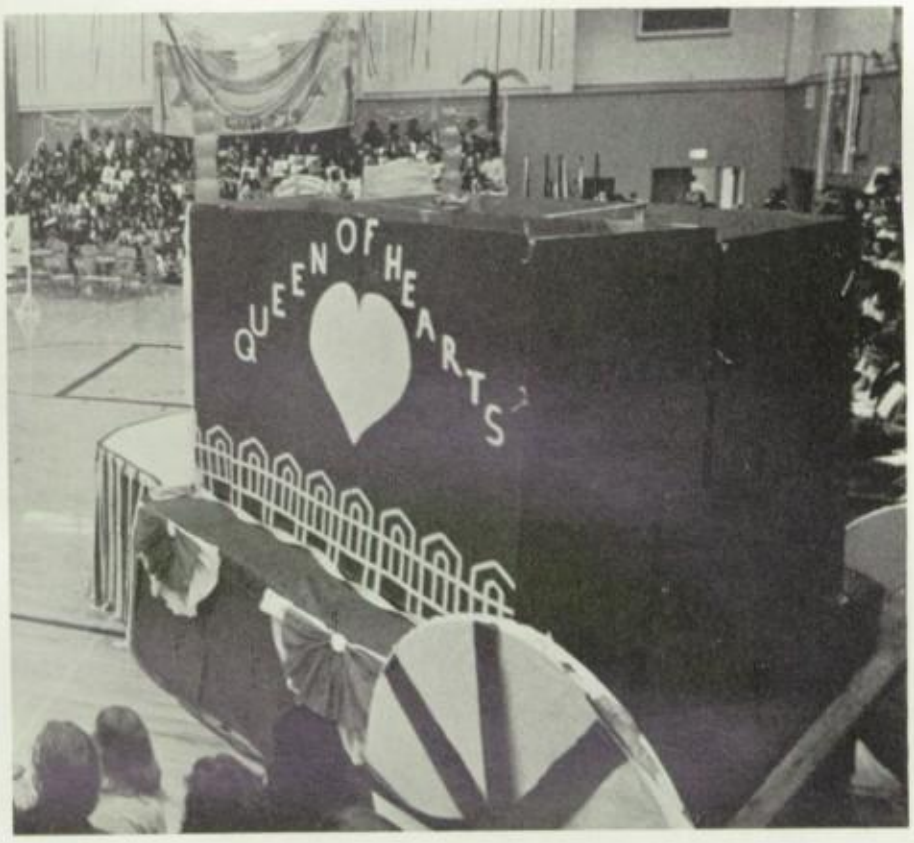
SALAD

as their theme, the class made a point that individually we're insignificant but together we can be delicious. Though their effort was rather unrewarded, the spirit of the "Class of '78" poured forth.



SHOCK, DISAPPOINTMENT, AND DISBELIEF

were the feelings of the Junior Class as Mr. Moffitt announced the winners on Monarch Day. In one of the closest contests ever the Juniors barely lost to the Senior Class. Using the theme of "the Queen of Hearts" they portrayed melodramatic life in a southern harbor town. Crafty Canyon (Dave Rogers) was the evil villian who abused the Monarchs until one day a lady named Dixie Lily (Julie Doss) sailed into town on the "Queen of Hearts". (an impressive red and white showboat). She took the people on to the showboat and immediately made an enemy in Crafty Canyon. The highlight of the Junior skit was their fantastic cancan line the "Canyon Cougarettes". They were the last to leave Crafty and his disgusting ways of life to go to Dixie Lily's. Crafty went to the showboat to insult and embarass Dixie Lily but it turned out to be his downfall. In the closing minutes of the skit, the townspeople revolted against Crafty Canyon and went to his saloon to burn him out of Monarchsville. When they were restrained by Dixie Lily they decided to make him a Monarch which he remained loyally. Monte, the narrator who opened and closed the skit was played by Craig Supinger.



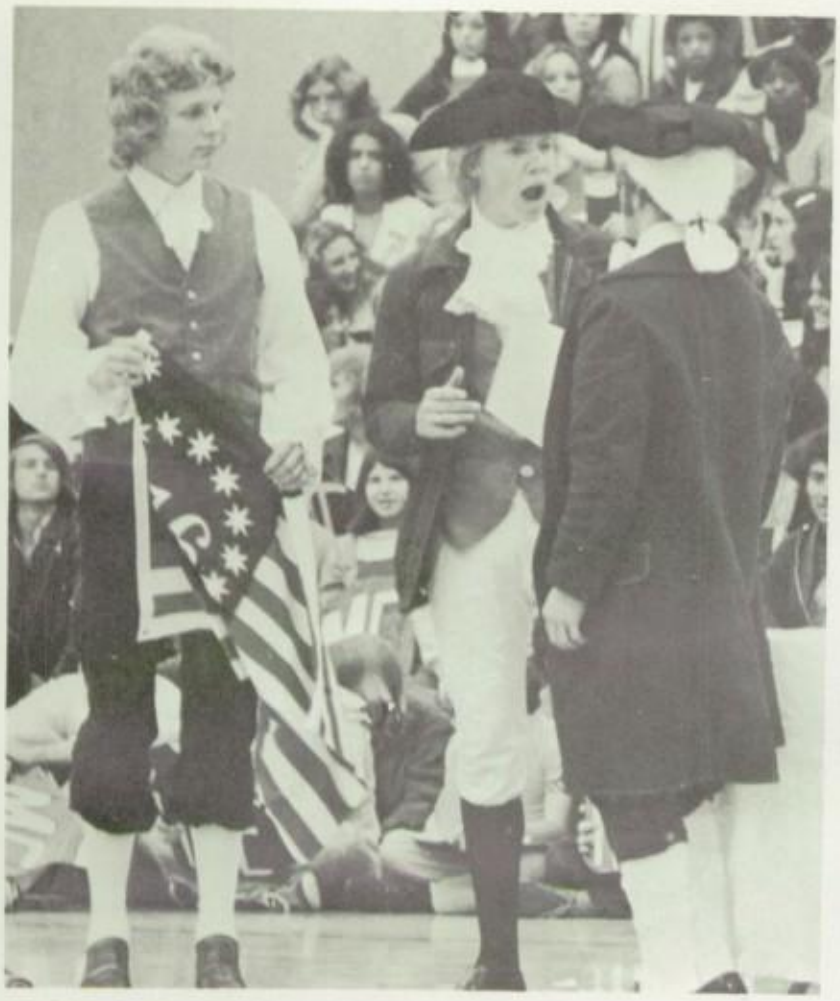
QUEEN OF HEARTS

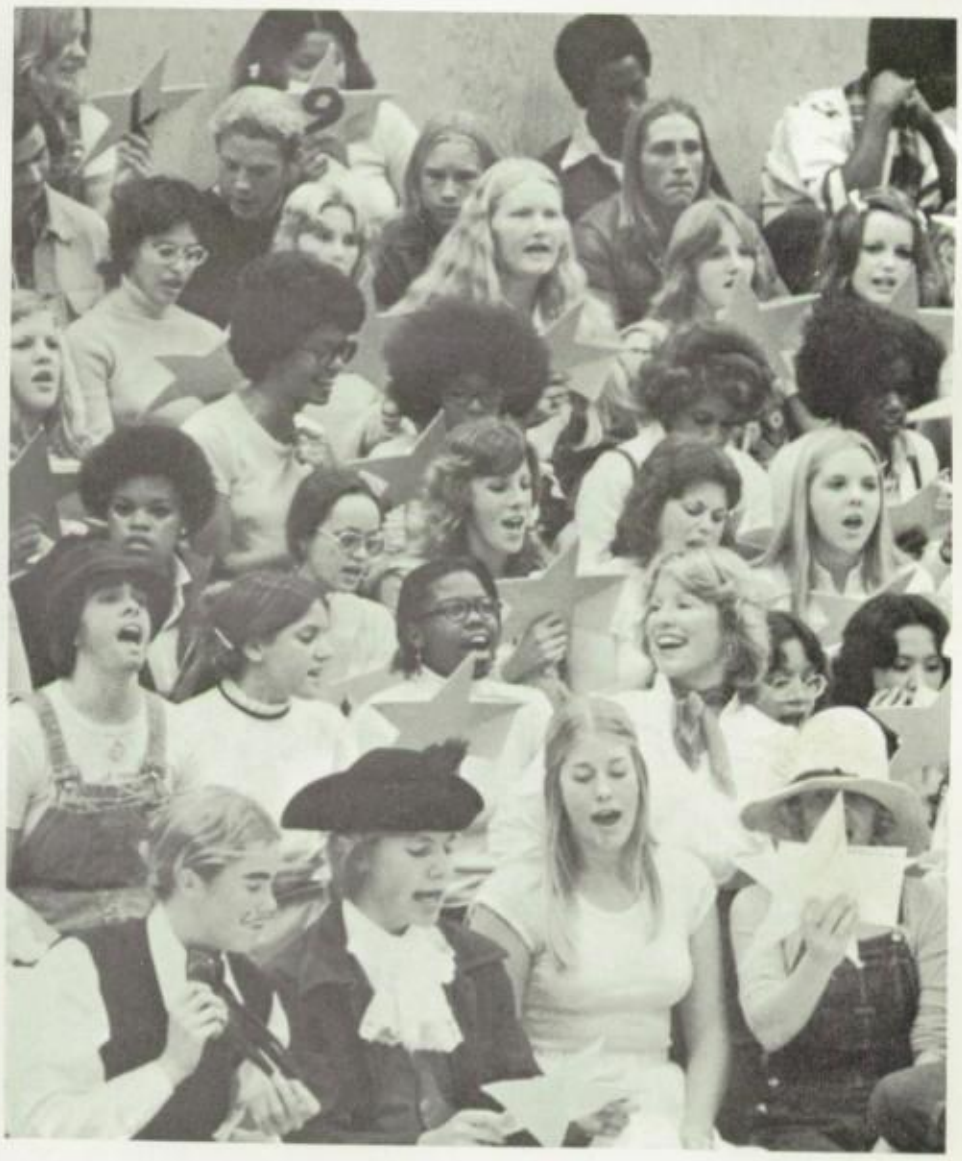
SURPRISED

was the only reaction that can describe the entire student body on Monarch Day. Because of the close competition the Seniors had with the Junior Class, there remained only a difference of about five to six points in which the Senior Class very SLYLY managed to sneak by the Juniors and recapture the Monarch Day trophy.

The "theme", which was selected to tie in with coming bicentennial year was "The Spirit of '76". With the Liberty Bell as their float, the Seniors preceded to ring out spirit and unity leading them on to victory.

The skit attempted to show three ages, 1776, 1876, and 1976; and their patriotic development. They pointed out that in the year 1976 the spirit of the Monarchs is dead. They concluded with a tribute to America by singing Happy Birthday.



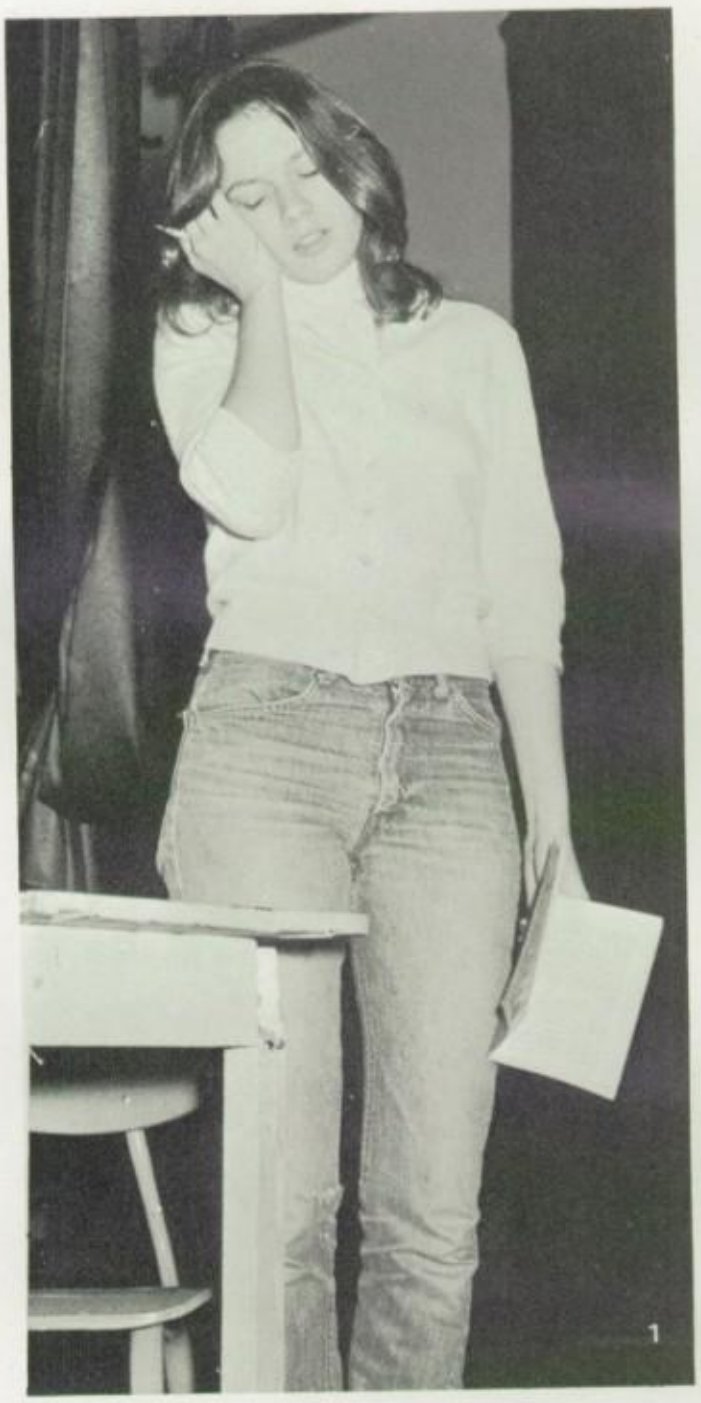


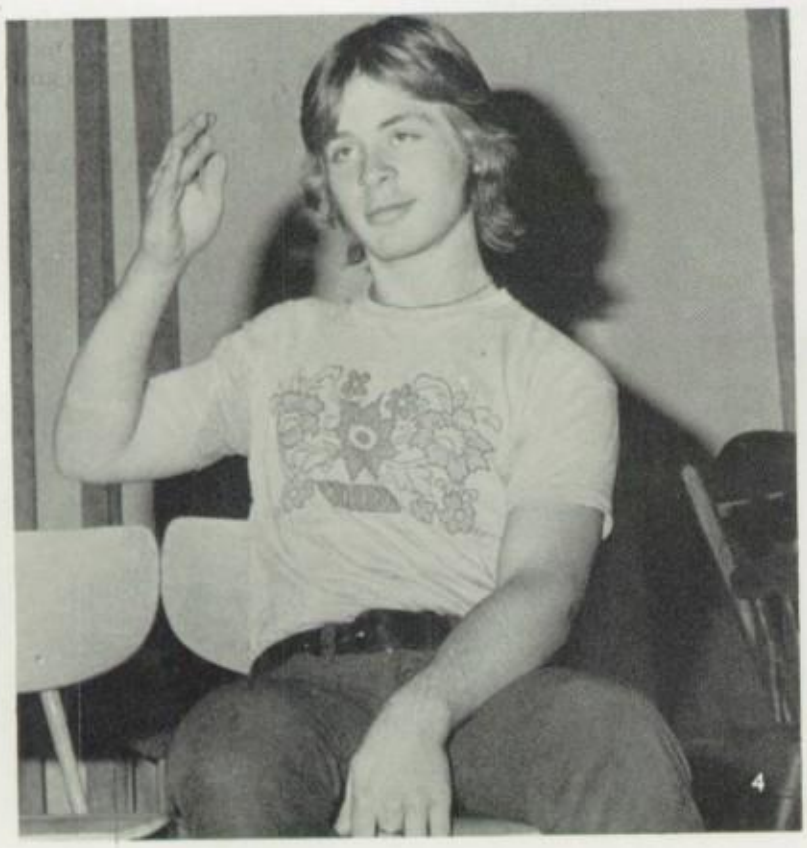
Mt. Eden High School's Drama Class, under the skillful direction of Mrs. Sue Arnold, proudly presented their production of THE BAD SEED on March 18, and 19.

IT WAS A THRILLER,

an extraordinary literate horror story and a superior bit of theater." Little Rhoda Penmark was the evil queen of the story. On the surface she was sweet and charming, full of old-fashioned graces, loved by her parents, admired by all elders. But Rhoda's mother had an uneasy feeling about her. When one of Rhoda's schoolmates mysteriously drowned at a picnic, Mrs. Denmark was alarmed. For the boy who drowned was the one who had won the penmenship medal that Rhoda felt SHE deserved. It was certainly entertaining and as a diversion it ranked with "Dracula" and sometimes set your spine tingling . . . chilling.

Our apologies to the cast for not being able to print photos of the actual performance. The book went to press prior to opening night.





1. Christine Penmark is depressed over the fact that her daughter may be a killer.
2. An inebriated Mrs. Daigle slyly attempts to intimidate the "cute" little Rhoda Penmark.
3. Christine and her step-father discuss the possibility that the "criminal mind" could be inherited.
4. Reginald Tasker, noted criminologist, gestures to make a point.
5. Mrs. Arnold, Drama instructor, demonstrates the proper blocking to Deborah Fay & Sue Stahlek.

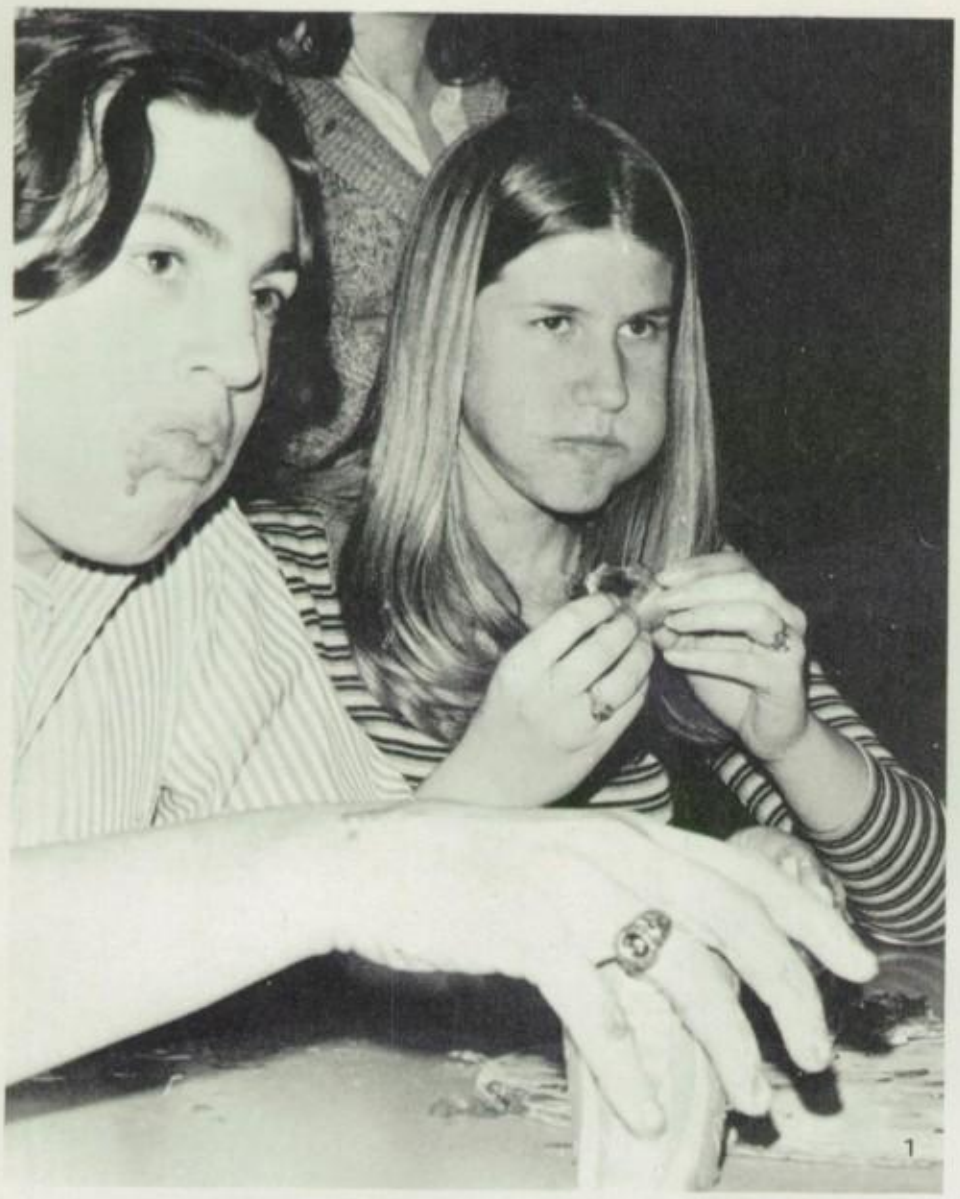
On January 26, 1976 the students of Mt. Eden High School woke up to find a most unusual phenomenon,

SNOW.

People couldn't bring themselves to class. Everywhere you turned there was a snowball flying by. It was a day of excitement and laughter to some, but to others, only cold feet and chattering teeth. All in all, it was certainly a day to remember.



1. Kevin Skillings and Lori Tassielli stare intently as they "chomp down" on another piece of pizza.
2. The junior class of '77 cheer enthusiastically at the Spirit game??
3. J-U-N-I-O-R-S-! all the way.
4. This IS the year for the senior class of '76!
5. Seniors make a quick switch during the three-legged race.
6. Mickie Tirado lends a hand for her senior classmates.

FRUSTRATED

were the
determined juniors when again they thought they had another victory in their clinches.

Leading in points until the night of the game, hopes were high that they could retain the Spirit award.

The week built up and the competition grew fierce. The pressure was released as the juniors class "tugged" away to victory.

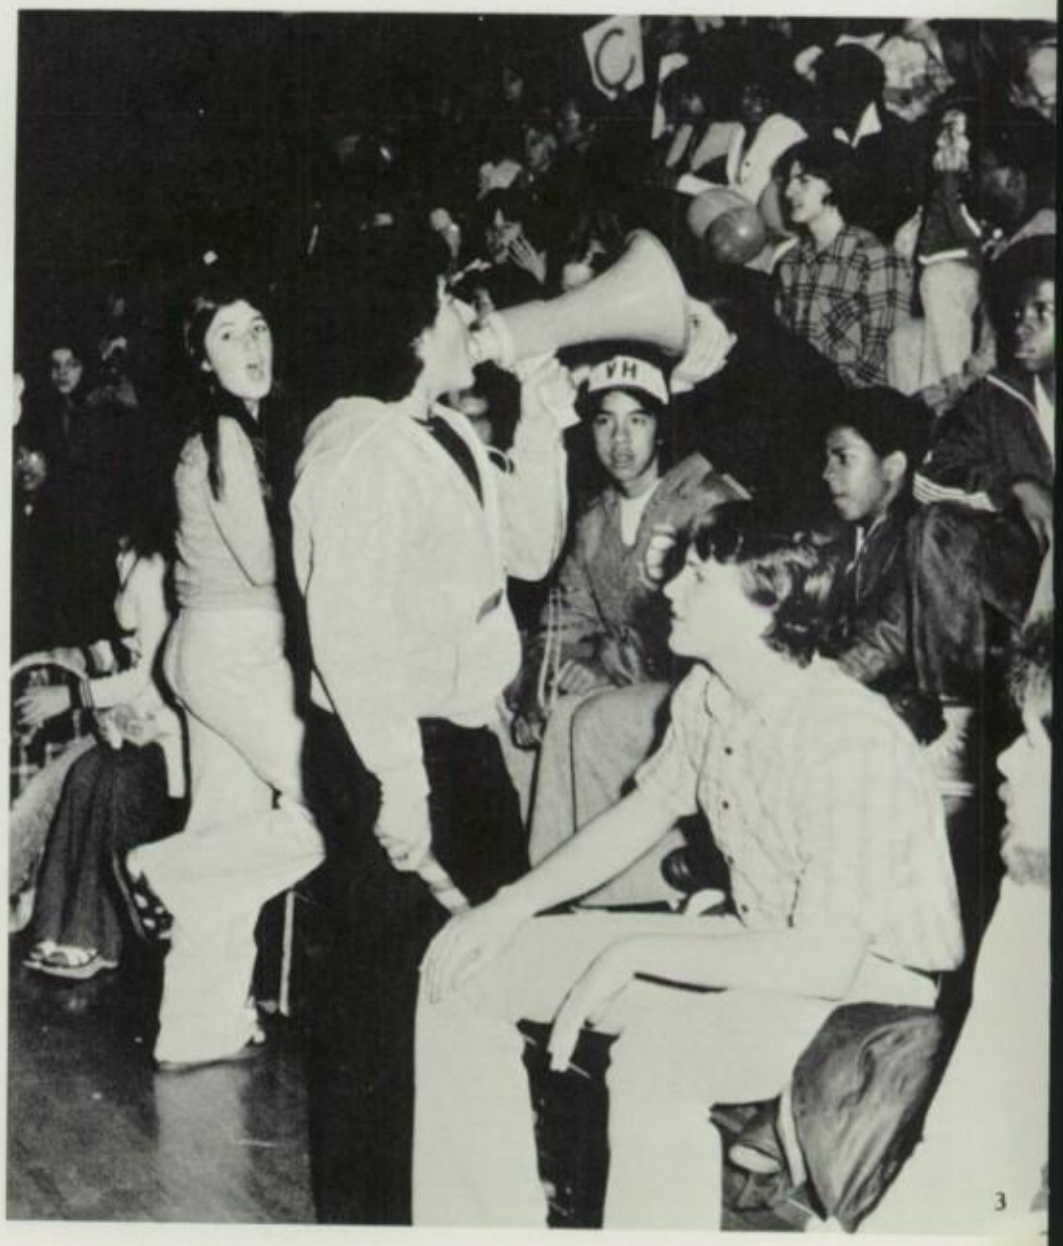
VICTORY

again came the seniors
way as they overtook their rival classes to win Spirit Week.

In winning the first contest of the week it seemed inevitable that the seniors would triumph.

And as if by saying, "Let's do it one last time", they inched out their nearest competitors to graduate in style.

1. 79'ers watch THEIR first Spirit night game.
2. Freshmen study the game scoreboard.
3. Sophomores Nancye Elmore and David Candelario lead their class in cheers.
4. Class of '78 and their Spirit night game backdrop.
5. Marrietta Bonnette and teammate prepare for the three-legged race.
6. Suzette Junier and Arlene Lo make docoratins for the big Spirit night game.



4

5

In their **FIRST ATTEMPT** at Spirit Week contests, the Freshman class took a disappointing fourth place.

After they had won the three-legged race, it looked as though they were going to do as well as they did on Monarch Day, but alas it didn't hold true.

One thing you can be sure of, the class of '79 will be a class to reckon with in the future.

This wasn't the year for the Sophomores.

HOPEFULLY in the future the class of '78 will unite to come to a victory.

Their spirit showed strong as they moved from fourth place during the week of contests to take an over-all third place.

ODD

would be a perfect description of the contests that took place during this years Spirit Week.

Tuesday "rolled off" the week with a Toilet Paper Race. The senior class took first place.

Wednesday "wabbled" into action with a Three-legged Race, which was won by the freshman class.

Thursday was particulary "crusty" as the juniors ate themselves to a first place in the Pizza-eating Contest. Friday "dragged around" with a Tug-O-War which was "pulled off" by the junior class.

On December 19th, 16 students and 4 adults departed from the

MT. EDEN PARKING LOT

by bus headed for Mt. Ralston Lodge in Twin Bridges. The purpose of this trip was to give a group of interested and politically involved students a chance to get away from their daily environment and go to the ways of becoming better leaders and ways of improving "school life."

Seminars and group discussions were planned by Mr. Hardeman, who was the faculty advisor.

Although the ENTIRE conference wasn't spent in meetings and sessions, much was accomplished and as a result we now have a "leadership group," which is not only for the students who participated in the conference, but also for anyone who was interested in improving Mt. Eden. Because of this group two clubs, the Boosters Club and the Pep Club, have become realities. The leadership group have also sponsored several activities to involve more students.

Everyone who went will remember the "extra curricular" activities, the "delicious (?) spaghetti" and the great time they all had.

8. Mike Rodriguez, Armondo Orubeondo and Anders Jansson frolic in the snow.
9. "I left my harmonica at home." Today's students/tomorrow's leaders.

On Friday, February 20, what was supposed to be a "victory" dance turned into a small

PARTY.

Losing the Spirit Week game to Hayward dampened the mood for the dance so not too many people showed up. But those who did, "hustled" to the music of RELEASE until 11:30 P.M.

David Candelario and Nancy Elmore were crowned Spirit King and Queen, while raising money to pay for Spirit Week.

Those who donated blood earlier in the year were given free admission to the dance. Success is not always measured by sheer numbers, but in terms of the "good time" the people had.

Very few people have had an opportunity to live in another country, it makes me feel very lucky. It was a great experience and I have learned alot through the year. I have met so many nice people. The school system is very different from my school in Goteborge, Sweden. What interested me most was all of the organizations and sports activities. I have seen several places around California which has made this year one that I will never forget.

Anders Jansson

I wanted to know the world better, so I decided to come to the U.S. for a year. I thought the U.S. would be alot different than Italy because they are so far apart. The only difference would have to be the school system. At first everybody was running around and they looked very crazy to me. I still think our system is better. The only fact of having met so many people and of having seen so many new places will be unforgetable. I'm sure of this.

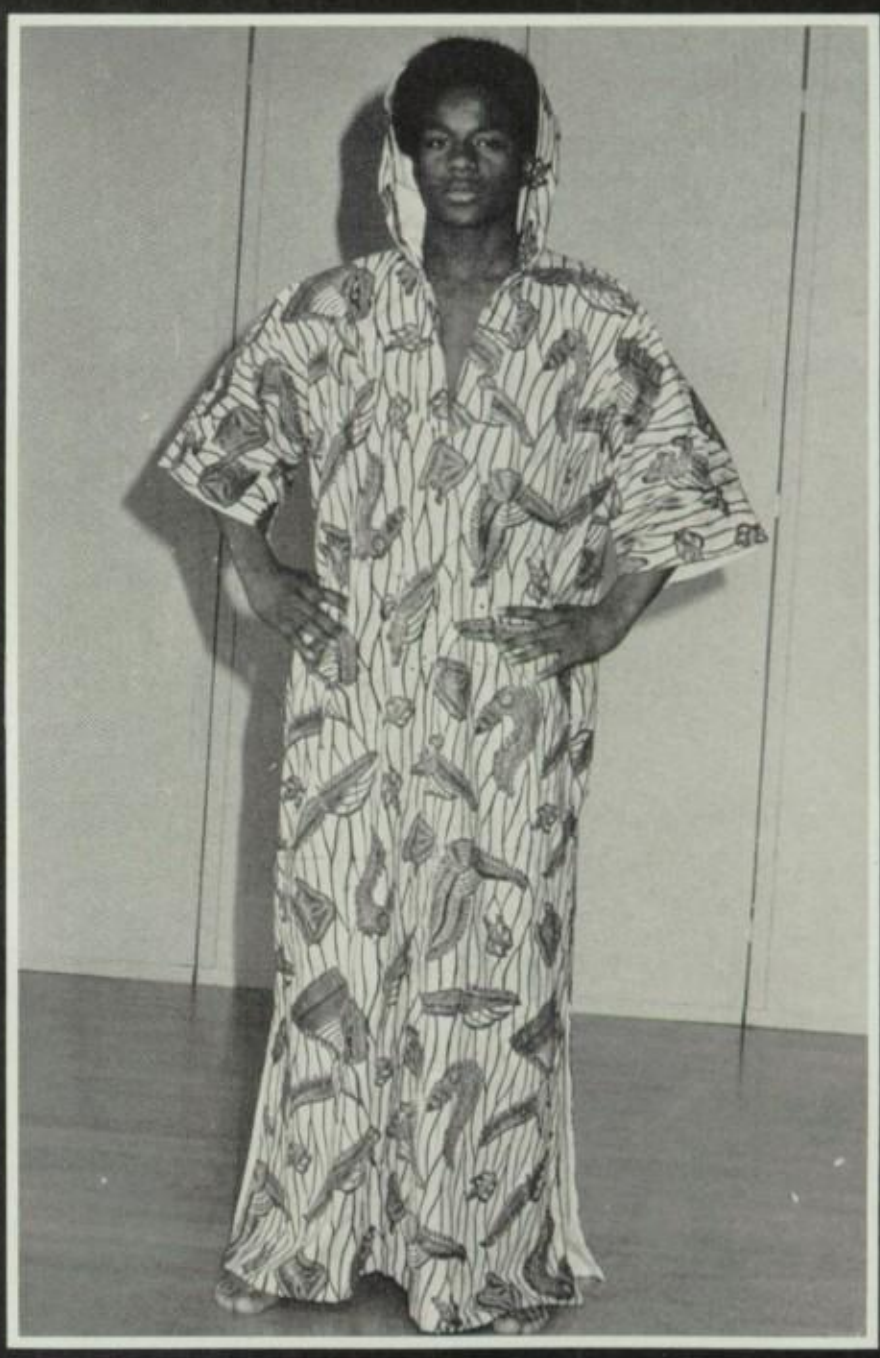
Love to you all, Simona Perlasca

I decided to become a foreign exchange student after spending one month in Hayward during the summer of 1974. I stayed with a family that made me feel very much at home. The family unity and the things we did together will stand out as the most unforgetable things during my stay in the states.

I went to a little country school in Denmark. The school system is very different. I am very interested in sports, and have found great friends whom I wish I'll never lose contact with. It is going to be hard to leave because now the U.S. is like a new home and country.

I hope that in this way I can say to my family, the teachers and to you, my friend, thank you for a wonderful year.

Evan Nicoaison



In proof that two clubs CAN work

TOGETHER

Mt. Eden's B.S.U. and Black and White Relations put on a sucessful spaghetti dinner and fashion show.

Along with great spaghetti served by Black and White Relations members, the Black Students Union displayed some fashions from various department stores. The clothing ranged from casual wear to the latest in dashikis and formal wear.

All in all everyone who attended had a very good time and especially the people who helped to organize the event.

Sometimes it's hard
To understand
Why some must go so young,
Before they've time
To dream their dreams
Before their songs are sung
Could there be greater work for them,
Or possibly release
From something where they cannot find
An answer to their peace?
It must be that our lives are planned,
"We have a time to go"-
May faith help us
To understand
What we can't see or know.

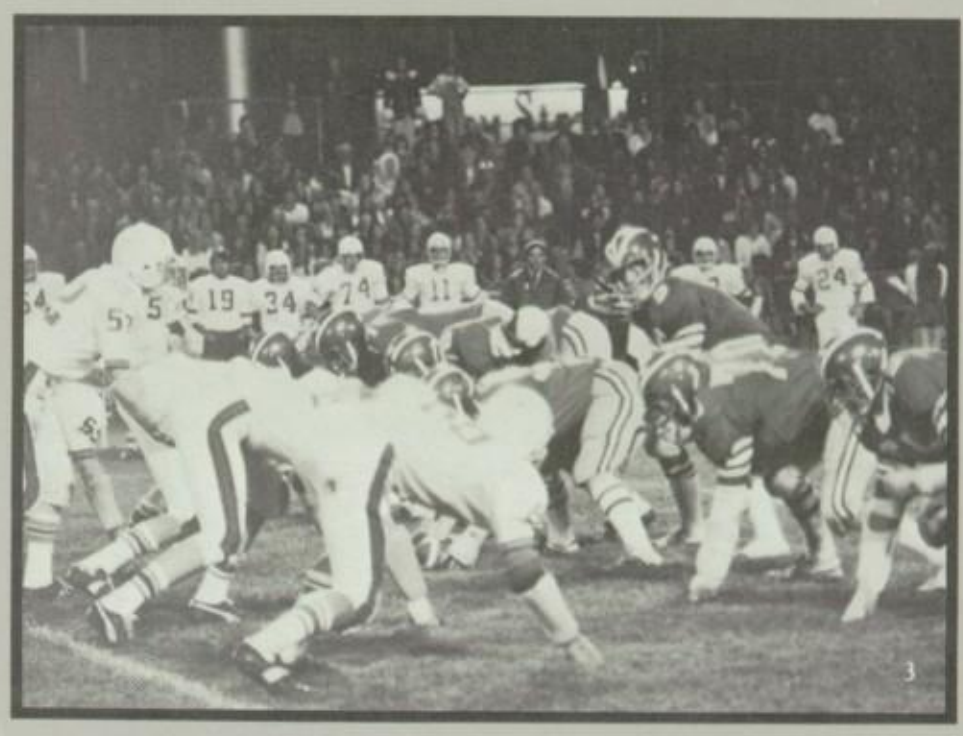
This was the year of the MONARCH!



PRIDE, DISCIPLINE, ORGANIZATION AND THE POTENTIAL TO WIN

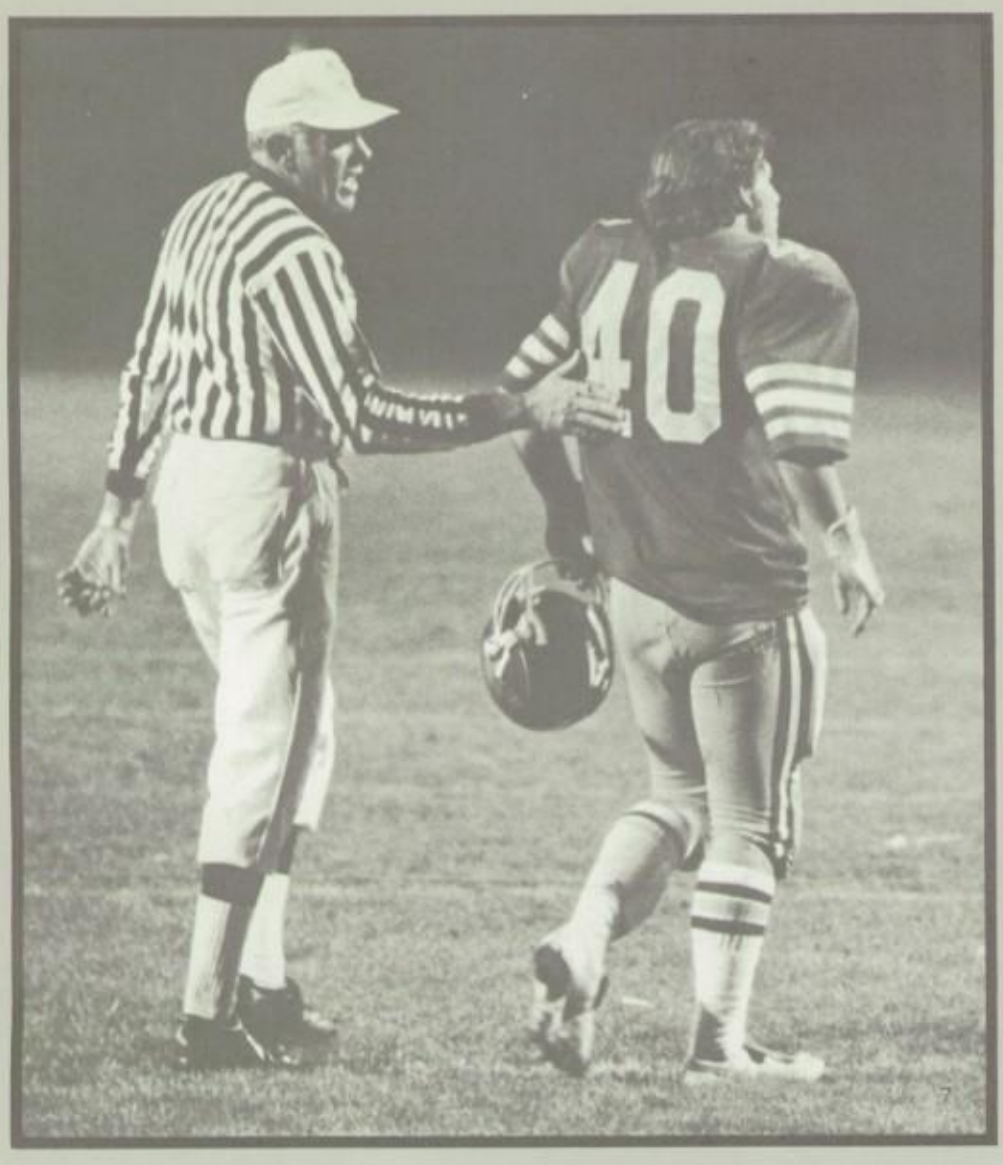
All of this is what it takes to make a group of individuals perform as a single unit. When this occurs game after game, you produce champions. That's exactly what Mt. Eden's varsity Football team did this year. Not only did the team win the H.A.A.L Championship, but they took 2nd in the NCA 2-a finals.
Mt. Eden's team had many outstanding players who were responsible for the championship. "We had a lot of experience on our side, but I don't want to single out any particular person for recognition," stated coach Fredericks.

Winning the H.A.A.L. Championship had to be the highlight of the season, especially after waiting 15 years to do it.

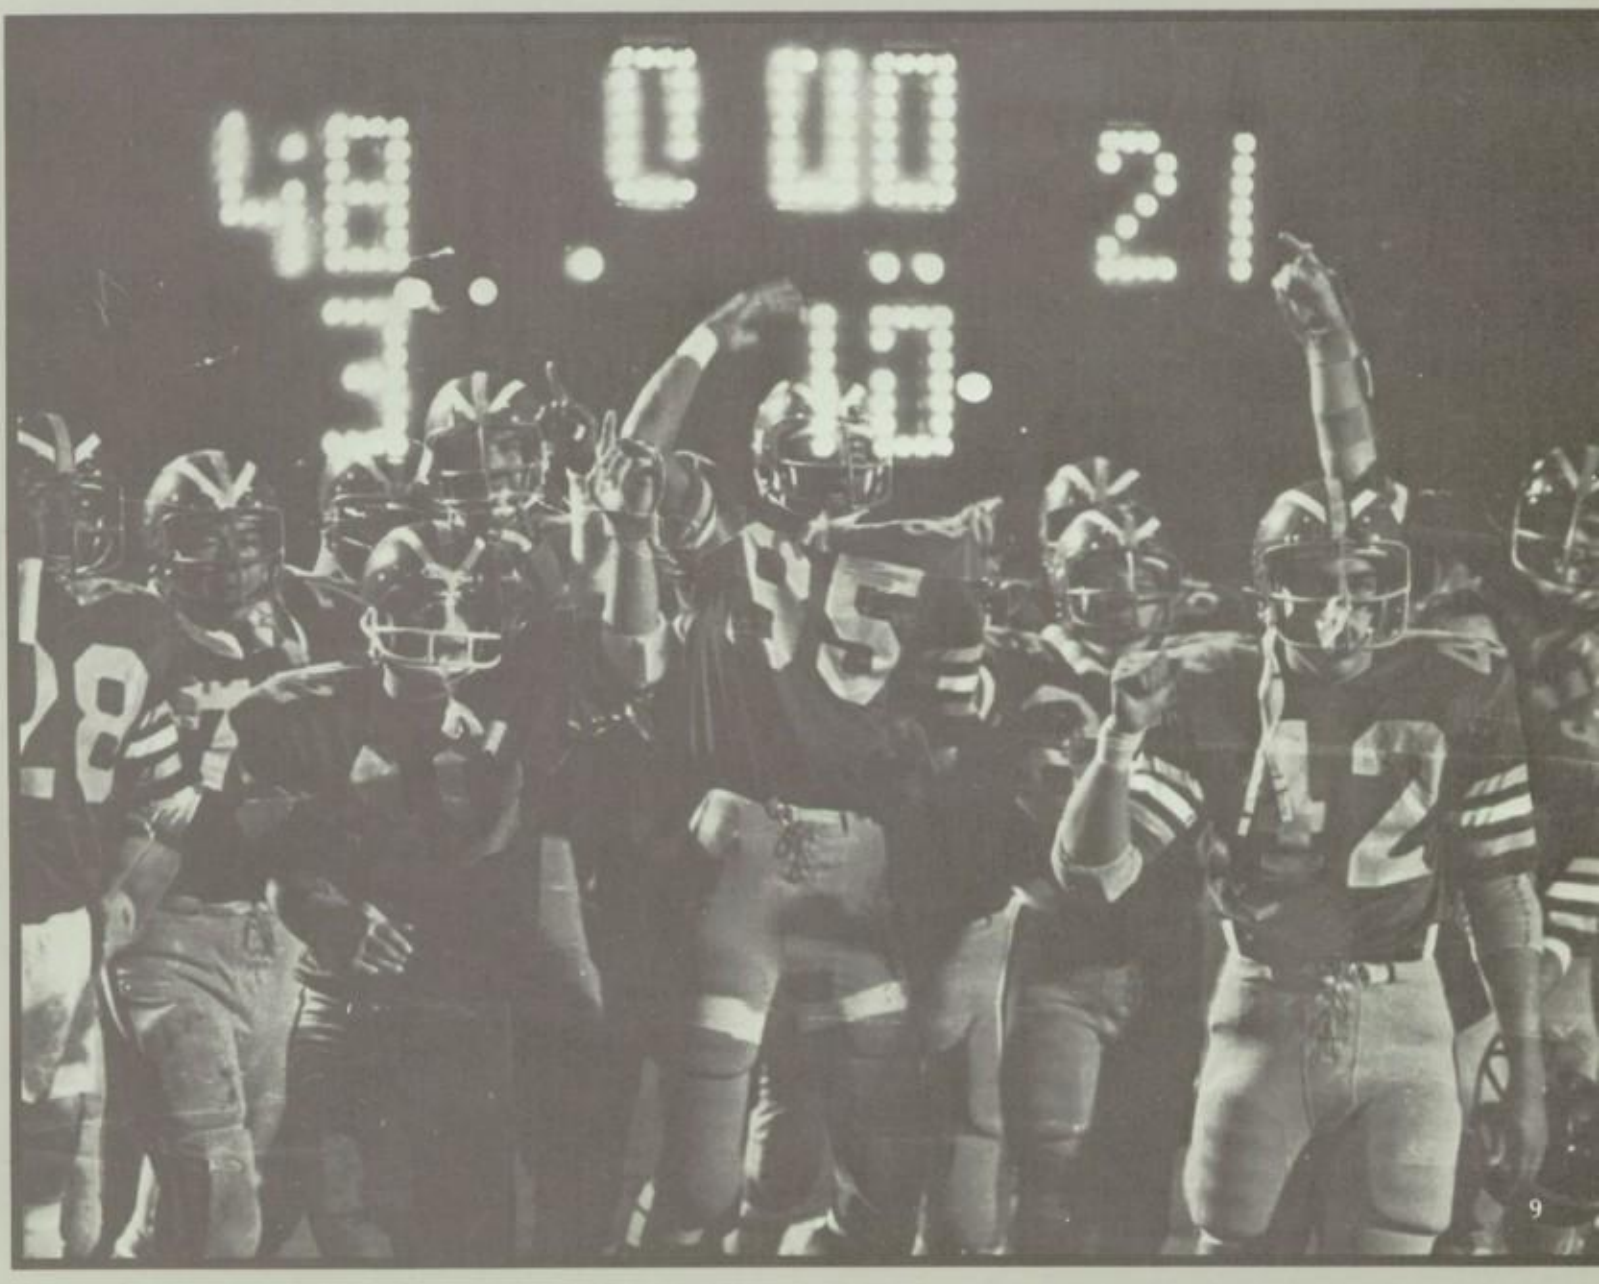
The following were 1st team all league: Alan Regier, Jeff Evans, Mike McLeod, Joe Thomas, Cornilius Booker, and Les Santos.

Second team: Jeff Grmoja, Eddie Chock, David Higgins, Richard Dixon.

The most valuable player this year was Alan Regier, Best Offensive Lineman was Mike McLeod, Best Deffensive Back went to Joe Thomas and Richard Dixon. Best Offensive Back went to Les Santos. Most Inspirational went to Kerry Ainsworth.



1. Higgans attempts to block Sunsets punt.
2. Mighty Casanas "toes" the leather.
3. Alan Regier sets the offense.
4. Frustrated Coach Matthews walks off the field after Marina defeat.
5. The end of a victorious season.
6. Booker takes a flying leap to block Castro Valley's punt.
7. Official escorts Lawrence off field for stomping a Marina Player.
8. A cloudburst settles over the umbrella of scorekeeper Mr. VonKrakau.
9. After 15 years, "WE'RE NO.1"



1. Team celebrates being NCS Regional Camps.
2. Santos rushes for Monarchs first down.
3. Chock bursts through Canyons defense.
4. You don't have to wait until next year Jack, We did it this year!!
5. Stats do their part for the Mighty Monarchs.
6. "Hey buddy, wanta let go of my shirt!"

This was a building year for the J.V. Football team.

THEY DIDN'T WIN MANY GAMES,

but as the season progressed the team got stronger. David Reid showed much potental at the running back position while Darryl Price sparked the defense. The players worked hard this season and look forward to a better one next year.

To the Frosh-Soph team one game meant the difference a championship and second place. This year it came down to the last game of the season between Mt. Eden and Sunset. Both teams had identical records, both were equal strength but Sunset outplayed us for the championship. Yet there is no shame because the

Cross Country is a sport in which an athlete must run several miles over different types of terrain.

HE MUST RUN ALONE,

but his score is added to the team's to determine the winning team.

This year's Cross Country team didn't have the season that they had hoped for. "They weren't able to get a first or second place in any of the meets," stated Coach Costa, "due to injuries and illness." The bright spot of the year was the seventh place that the Frosh-Soph team took at the HAAL Finals. With outstanding runners like Keith Ortiz and Mark Demeduk as well as improving runners like John Traynor and Martin McDonald, next year's team should do better.

1. John Traynor leads the "pack" at HAAL finals.

THE 1975 GIRLS SWIM TEAM

proved their aquatic abilities this year by placing third in the District Relays. Both the varsity and the junior varsity had average seasons with the varsity winning 3, losing 3, and tieing 1 while the J.V.'s won 4, and lost 3.

OUR POOL RECORDS WERE BROKEN: The 200 yd. medley by Inta Zvirbulis, Vicki Hannaford, Lisa Ball, and Nancy Elmore with a time of 2:15.5 minutes, The 50 yd. Breast Stroke by Vicki Hannaford in a time of 38.3 seconds, The 50 yd. Freestyle by Nancy Elmore in a time of 28.8 seconds and the 50 yd. Butterfly by Lisa Ball in 32.2 seconds. The winners of the Most Improved Swimmer Award on the varsity were Gayle Clark and Lisa Whiteman; on the junior varsity they were Theresa Tillman and Tammy Avla both of whom also received recognition as the most dedicated junior varsity swimmers. The most dedicated varsity swimmers were Lisa Hayden and Joy Hurlbut.

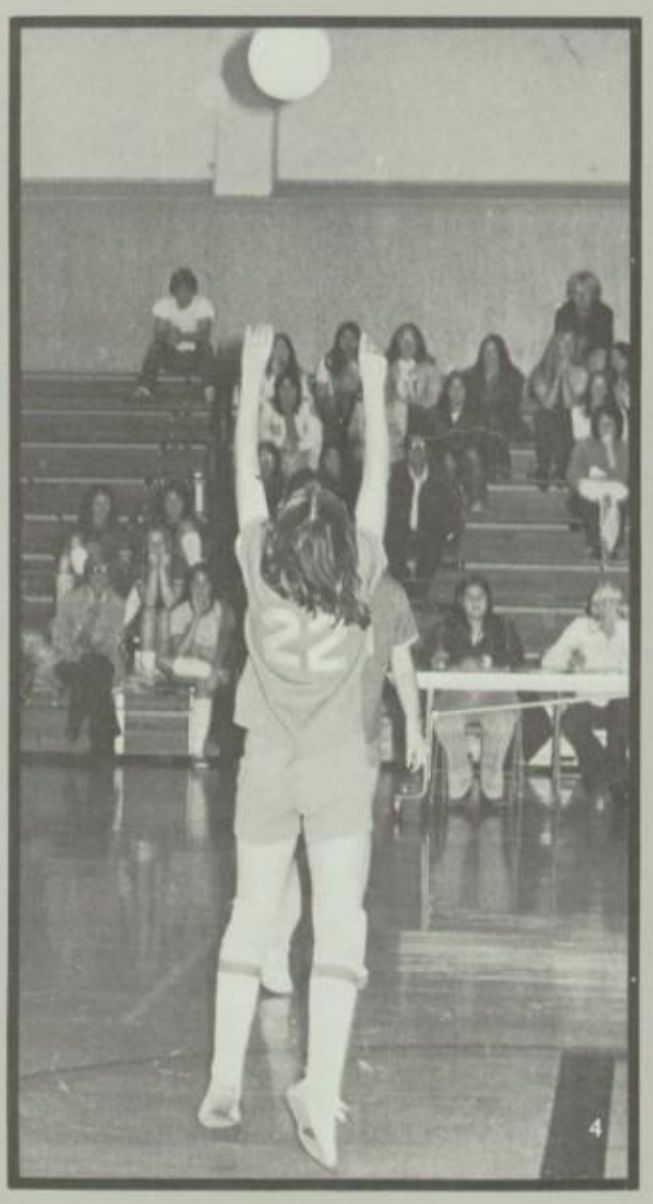
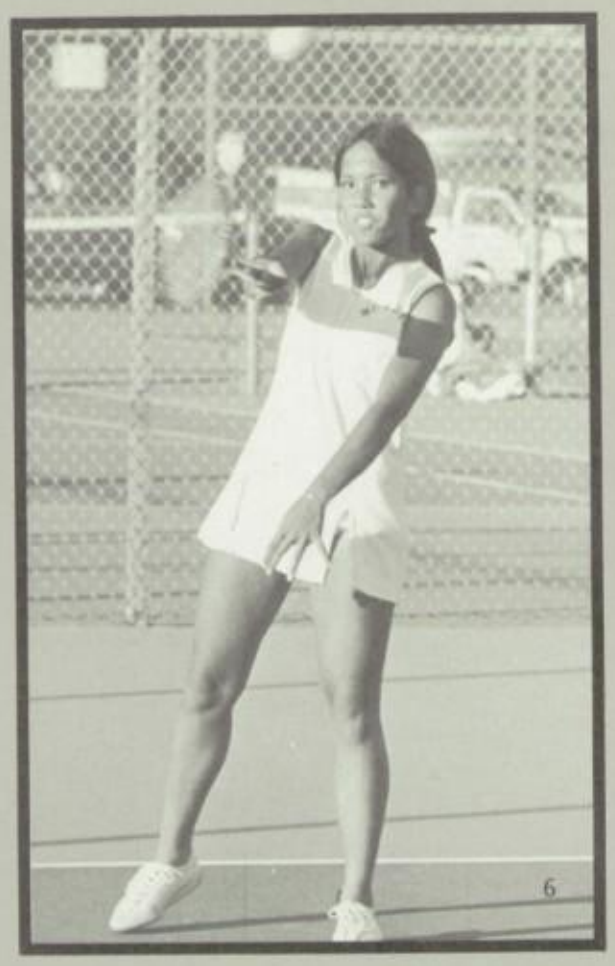
TEAM RECORD 3-5

This was a rebuilding year for the J.V. Volleyball team who lost most of their starters due to advancement to Varsity. With a majority of the players being "rookies", they were only able to post a 3-5 record. However, Miss Beck expects a better season next year.

The following were members of the J.V. team: Becky Seaver 30, Jamie Peters 31, Ana Orubeondo 22, Theresa Garcia 11, Luanne L'Heureux 32, Laurie Dowiot 41, Addy Rapoza 25, Becky Gonzales 24, Andrea Filomeno 34, Dianne Booker 17, Kim Jacobsen 1, Simona Perlasca 13.





This years 1975 Girls Tennis Team had a less than outstanding year. Laurie Dowiot, who was among the top singles players in the league, won the majority of her matches. Most of the players on ME's team were new including several freshmen and sophomores. Miss Johnson expects a better season next year since the team will be more experienced.

Bottom Row Left to Right: Laurie Dowoit, Diane Wilks, Becky Gonzales, Linda Savoy, Janet Hellwig. Top Row Left to Right: Miss Johnson, Mary Hellwig, Karen Rossi, Anna Benedict, Cindy Rodriquez, Barbara Gloffetty, Rose Merfalen, Abby Raposa, Sue Rossi.

Varsity Soccer

This years varsity soccer team was one of the best teams I have ever coached. They came back from adversity time and again to win a hotly contested league championship. After thirteen games of league play the Monarchs of Mt. Eden were tied for the league lead with the Rebels of San Lorenzo. The final "dream game", was between these two powers. In what could only be described as one of the finest high school soccer games ever played the Monarchs won convincingly, proving for the second year in a row they were the best in the HAAL.

Coach Hector

The junior varsity soccer team of 1975-76 was

YOUNG AND INEXPERIENCED.

Despite these adversities they made notiable account of themselves in our league. With dogged tenacity and total team effort they fought to a second place standing. These are varsity players of the future and with the above positive attributes they can't help but succeed. The following were team members;

FRONT ROW

1. Tony Myers
2. Dave Marion
3. Jeff Worth
4. Kory Ainsworth
5. Ted Lemasney
6. David Mickle

4. Felix Quinoner blocks off C.V. player.
5. Ricardo Soto kicks ball down field.
6. Jeff Worth shows off his good style.
7. Coach Hector gives team last minute details.

Although rated as the league's dark horse, this year's Varsity Basketball team

SURPRISED EVERYONE

by winning their first five league games. The team ended the season by posting an 11 - 5 record and a tie for third place.

In one of the most successful seasons in recent years, the team clinched a post-season play-off spot.

Led by outstanding players, Alan Regier, Derek Gilliam, Tony Woods, Poncho Dixon plus the strength of a strong bench, the Monarchs upset two of the leagues favorites and represented a threat to every team in the league.

With the bulk of the team returning next season, the Monarch team is looking for a league championship.

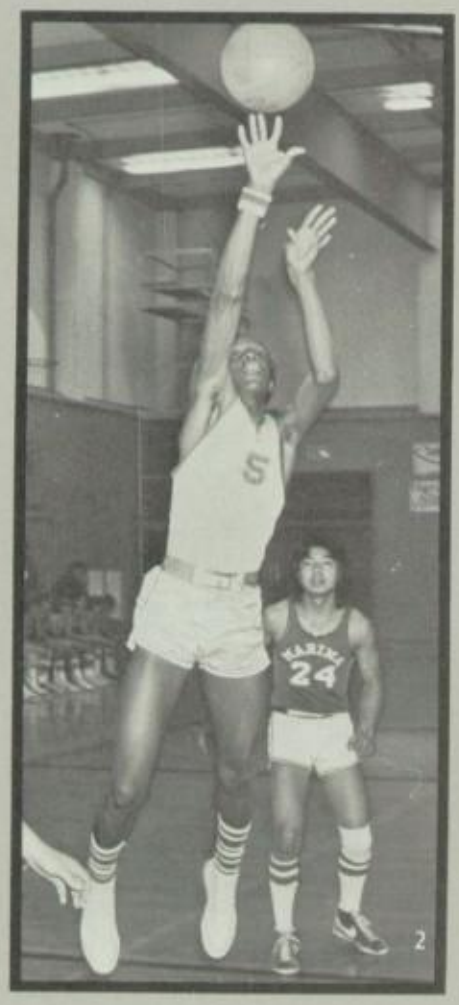
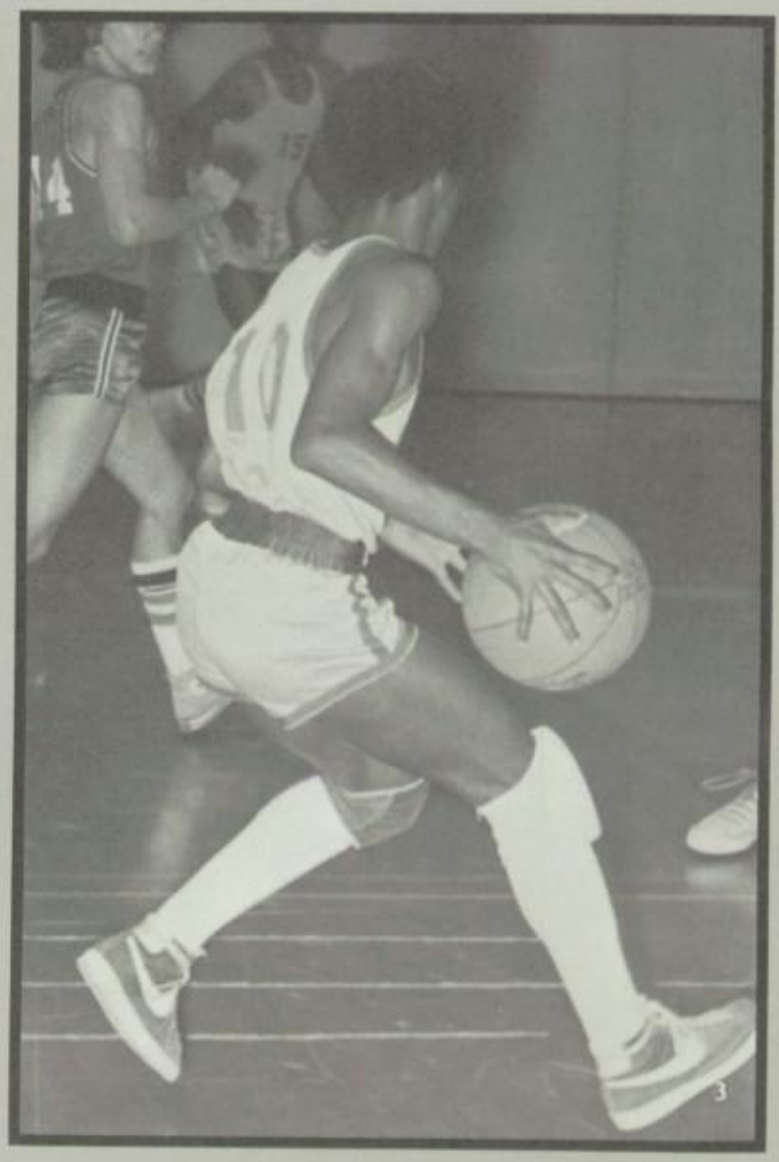
The 1975-76 Frosh-Soph Basketball team had a

LONG AND HARD SEASON.

Even though they finished close to the cellar, they played well in most games. Had they a little more height, perhaps they would have had more wins. Coach O'Leary felt that many of these young Monarchs will make vital contributions to Mt. Eden Basketball in future years.





1 BACK ROW LEFT TO RIGHT: Norman Freitas, Steve Andre, Roderick Christan, Dwain Chavez, Kenny Williams, Mike Bolds, James Grandison, Randy Jackson FRONT ROW LEFT TO RIGHT: Rick McGrew, Gary Smith, Joe Davis, Tyrone Huges, Lamont Candys, Andre Scott, Mike Moore.

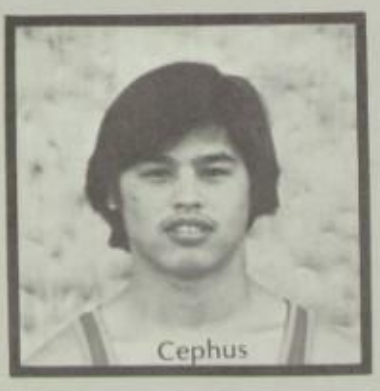
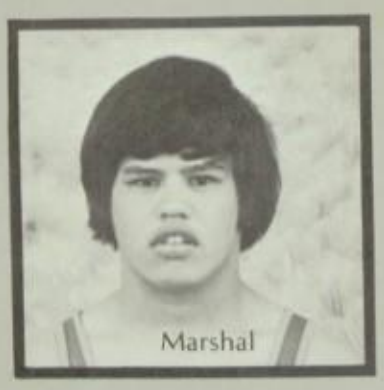
PRIDE

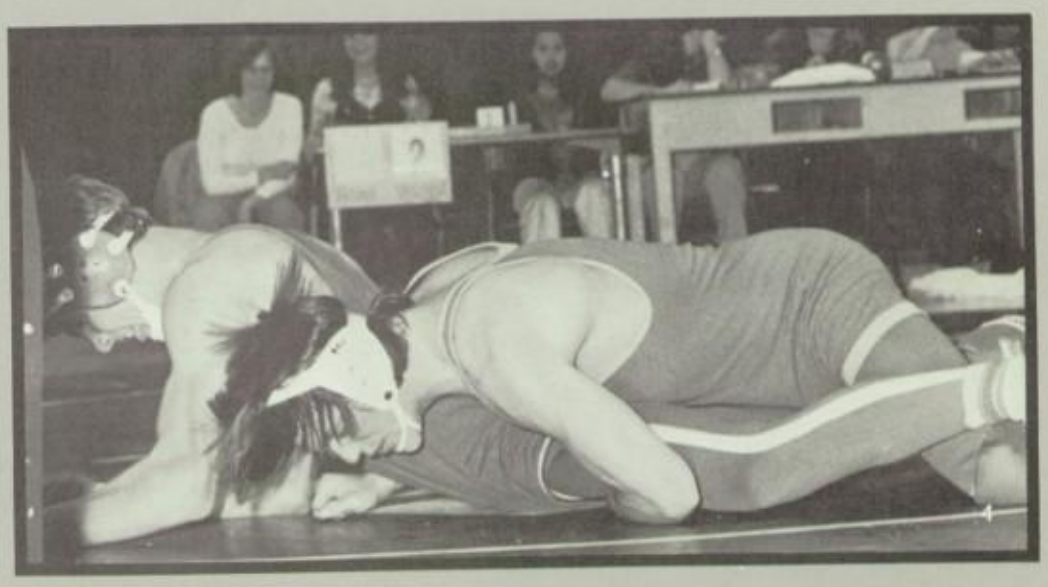
was the five letter word that the Mount Eden Varsity Wrestling team had for themselves, the school and the HAAL title. "What really made the difference in winning the Championship was the fact that we stayed healthy", stated Coach Rodriguez.

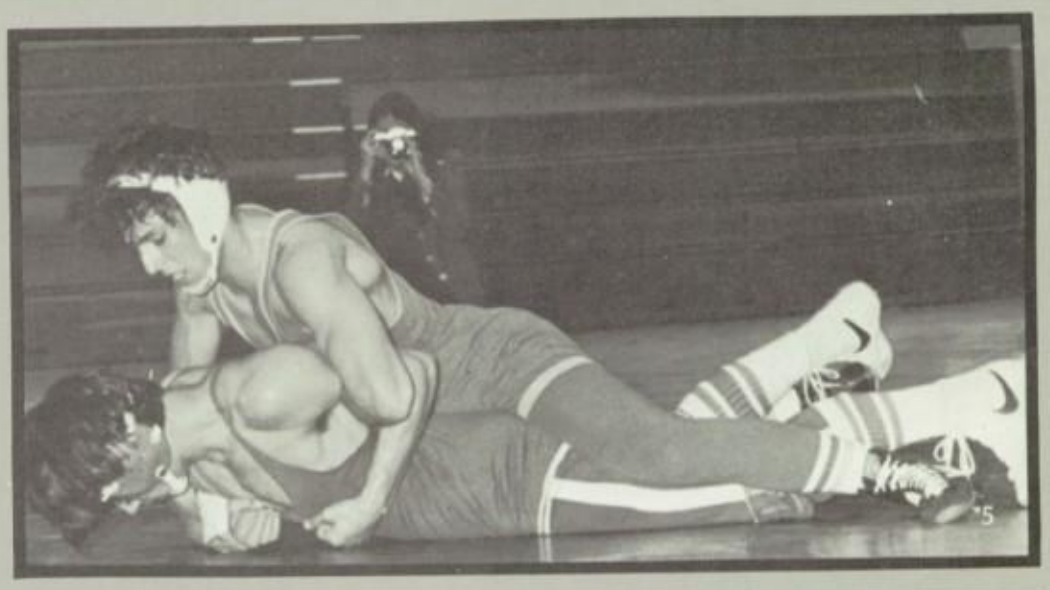
One of the many highlights of the 1975-1976 season was the victory over San Lorenzo which clinched the title.

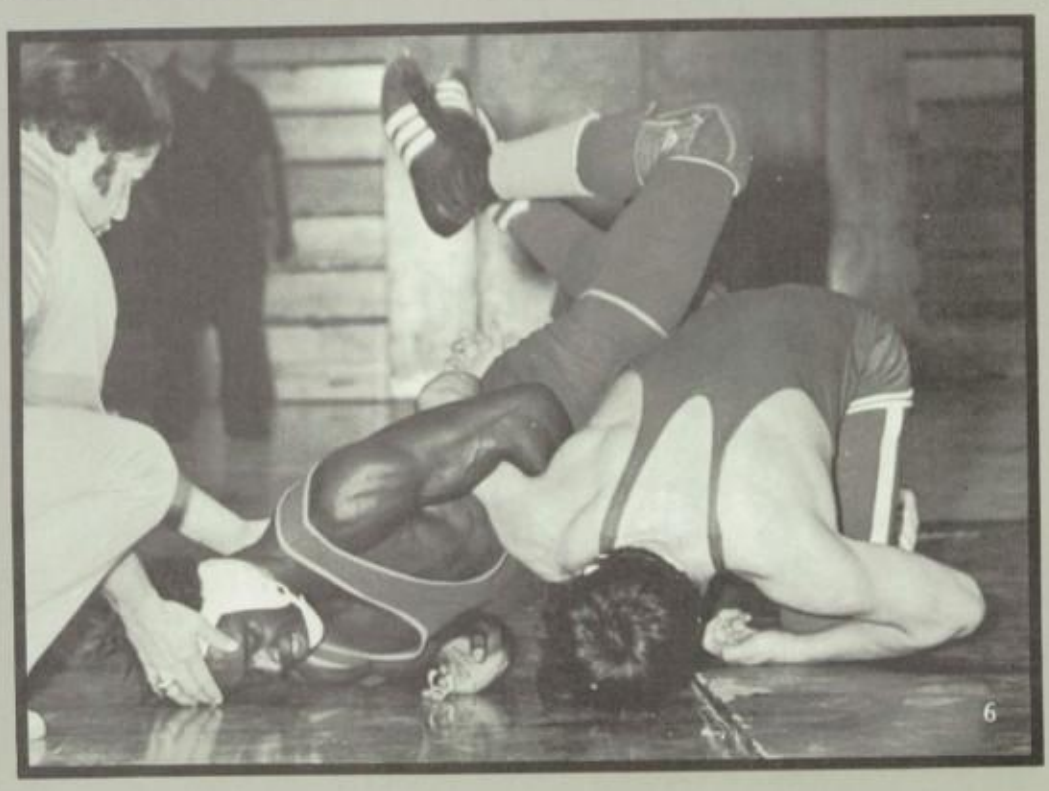
1. Brian Danforth strains to get out of hold.
2. Coach Rodrigues gives Bill Lawrence a pep talk.
3. Rich Canada attempts to dominate his opponent.
4. Dave Horvath puts the "squeeze" on his foe.
5. Mike Medina takes down his rival.
6. Marshall Santos antagonises opponent at invitational meet.











"Remarkable, for such a young team" was Coach Fitzell's comment about the 1975-76 J.V. Wrestling team.

The season went well for Mount Eden as they had a score record of 5 wins and 3 losses. Each time only one or two matches separated Mount Eden from their opponent.

This years' Richard Thom was a J.V. League champ while John Diego, Jules Nacario, Steve Kirschner, Don Brager, and Tony Delgado all did their best for their team.

Predicting next year's success, Coach Fitzell expects the returning players to use their experience and enthusiasm as an advantage for future matches.

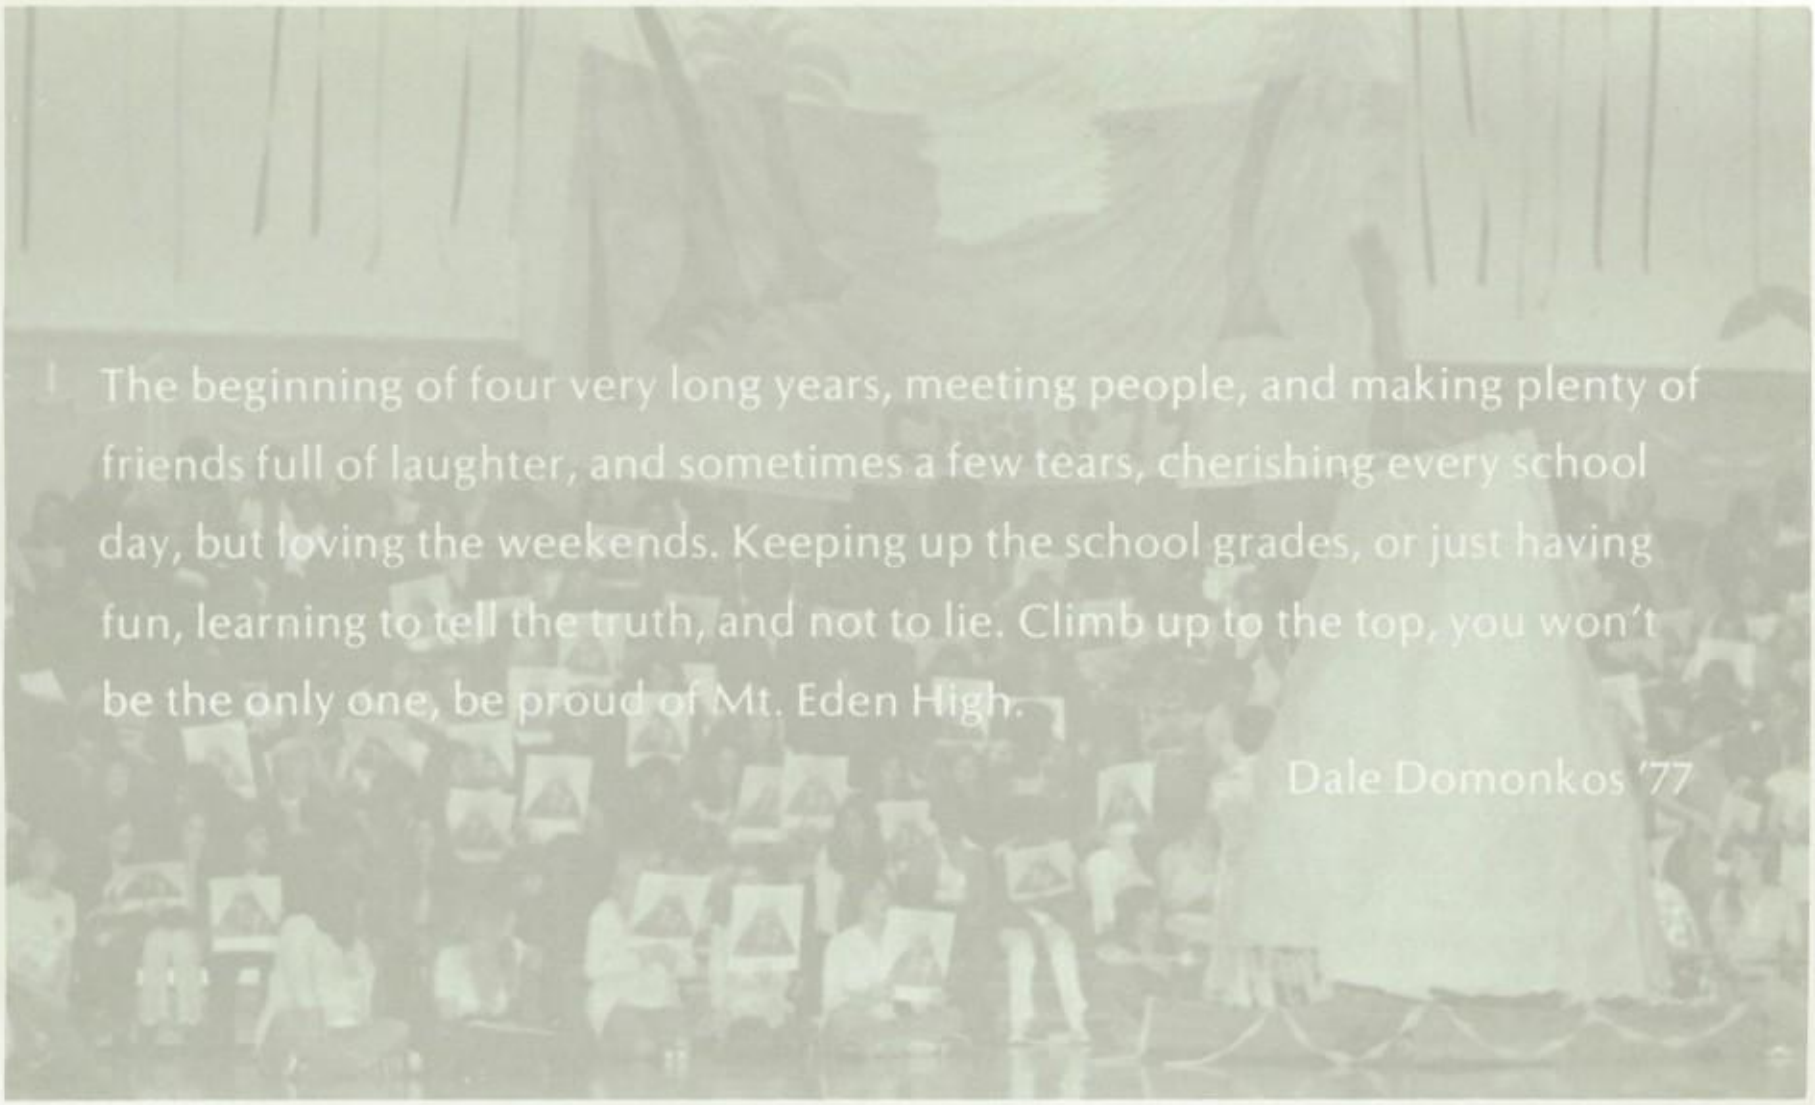
FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN • FRESHMEN



The beginning of four very long years, meeting people, and making plenty of friends full of laughter, and sometimes a few tears, cherishing every school day, but loving the weekends. Keeping up the school grades, or just having fun, learning to tell the truth, and not to lie. Climb up to the top, you won't be the only one, be proud of Mt. Eden High.

1. Lani Yuen - Secretary
Marina Rodriguez - Historian
Frank Marvin - President
Susan Stahlek - Co. Vice-Pres.
Not Shown: Mitch Ogden - Co. Vice-Pres. and Paul Corredoura-Treasurer.
These are the class officers of 1975/76.
2. Crafty Cannon (Dave Rogers) has it out with Dixy (Julie Doss).
3. Bethy Thornburg stares toward the camera.

The Junior year is one of excitement, exploration and pressure.

As a junior, one feels the pride of being an "upperclassman." You finally get your much awaited class ring and the excitement of your Junior Prom.

At the same time a junior begins to wonder, perhaps for the first time, about the future. One feels frustrations of making decisions on their own.

Some of these questions may have been answered but many of the answers lie, not here, but in the future.

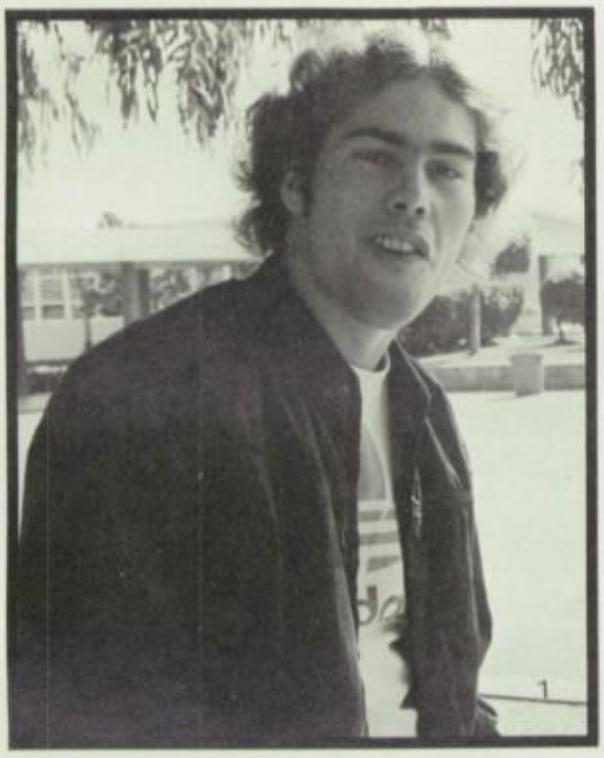
SPIRIT



1976 is a unique year in the history of Americans. As the bicentennial birthday of this great country in which we live, it provokes cause to contemplate the advantages as residents of the country and challenges for the future.

It is frequently easy to criticize in an environment where free speech prevails. Many criticize our leaders in government and adverse conditions that exist in our country. The real challenge to us as citizens is to become involved in ways that change adverse conditions and improve leadership in government.

Education should provide experiences that can assist in meeting this challenge. It is our desire that your experiences at Mt. Eden will be an assist to you in dealing with life's problems.

Howard Moffitt, Jr.

2. Sandra Freitas - Vice President
3. Cherylyn Cochran - Historian
4. Arlene Alvarado - Treasurer
5. Senior Class Officers

Congratulations to the Class of '76! You are living in a great time in history, and I hope you all will give to and take from life the best you can. I have enjoyed knowing all of you, and I wish each one of you the very best in the future.

Joan Warner Hoskins

"Above all else, be true to yourself. If you can truly achieve this honesty with yourself, your relationships with others will not prove false.

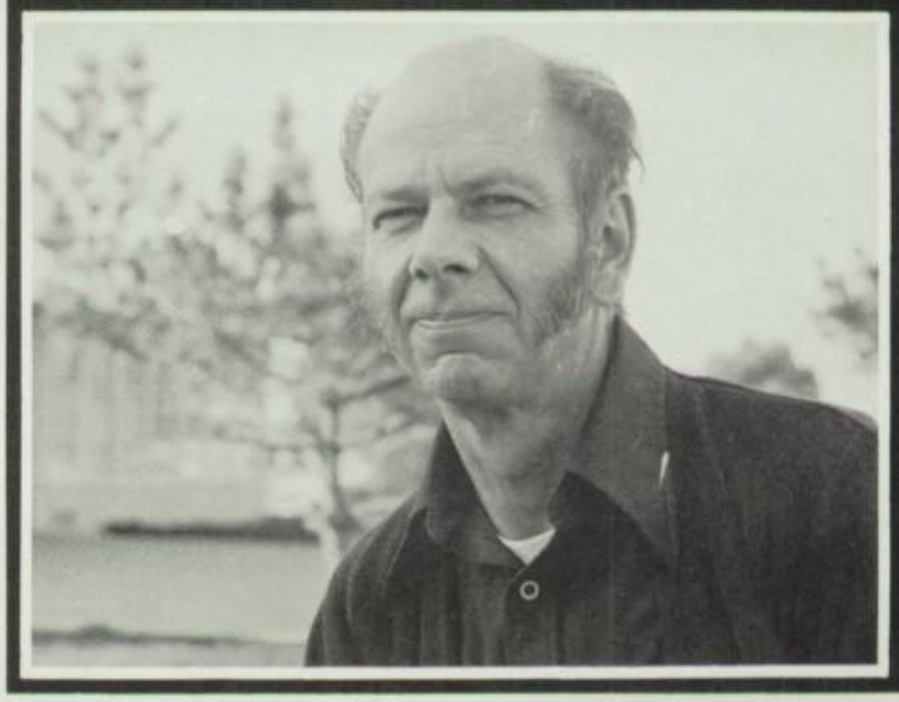
Goodbye, and may this wish I have for you grow within you as you grow."

Roald Wick

To My Counselees,

It's been a real privilege to work with you these past four years. May you enjoy success, fun, lots of the best during your future. Follow that star, where ever it leads!

Julia S. Furlow



"Find a heart for the world, a good life for the common folk, a way to continue the teachings of the classics: lasting peace for the coming generations," said Chang Wen-chu, Ming Dynasty. I can only concur.

"DO IT ANYWAY YOU WANNA"

was the title of a H.U.I. dance this year, but it was also an indicator of H.U.I.'s ability to get things done. Branching off from the Mexican-American club, H.U.I. formed themselves into their own club, which would promote international understanding in co-operation with the Black Studies class. Theyv'e been a very active club this year, between the dances, bake sales, and the Jim Nacario Scholarship Fund, which is used to give scholarships to different members of the group. "They're

"GOOD NATURED KIDS"

" stated Mrs. Sewelson, the H.U.I.'s advisor, "and I really enjoy working with them."

Mga Kapatid, the Philipino Student Union, turned it's attention this school year to fund raising for scholarships for 10 graduating seniors. Because of past efforts of this club, students at Mt. Eden are now able to study the

in a Philipino Studies class. Their activities included dances and cake sales. Arlene Alvarado led the club this year as Coordinator, with the assistance of Vice Coordinator, Eric DeGuzman.

4

The Latino American Club, with a membership of 60, has motivated Latino students to be involved with their school activities, community activities and education. With holding various activities, the students are able to raise money for scholarships which are awarded to Latino seniors at the Awards Banquet at the end of the year. This club has helped Latino students to be united to

The Luso American Club was started this year under the direction of Mrs. Fazio. It's purpose was to promote unity among Portugese students, establishing scholarships, and creating

DEEPER APPRECIATION

of democratic processes. The club held several community projects throughout the year. All members of the club have learned more about others, as well as themselves, and hope to see it progress through the coming years.

Some of the students of Mt. Eden enjoy a relaxing game of

CHESS

for their lunch time enjoyment. A number of students gather in B-13 everyday and challenge each other to a game.

Mr. Wick the club advisor invites new members to come and learn the game while the old members learn new techniques.

Working to solve

ECOLOGY

problems at Mt. Eden and its surrounding community is a big job for the students of the club and their dedicated advisor Mrs. Furlow.

This year the club has taken part in many other out side activities as well as school activities. In Oct. the club went to the International Bird Watching Center in Berkeley, and helped to clean up the birds after the oil spill in the area. The club also sold fedwood seedings to benefit the Save-the-Redwood-league.

It's a bird, It's a plane

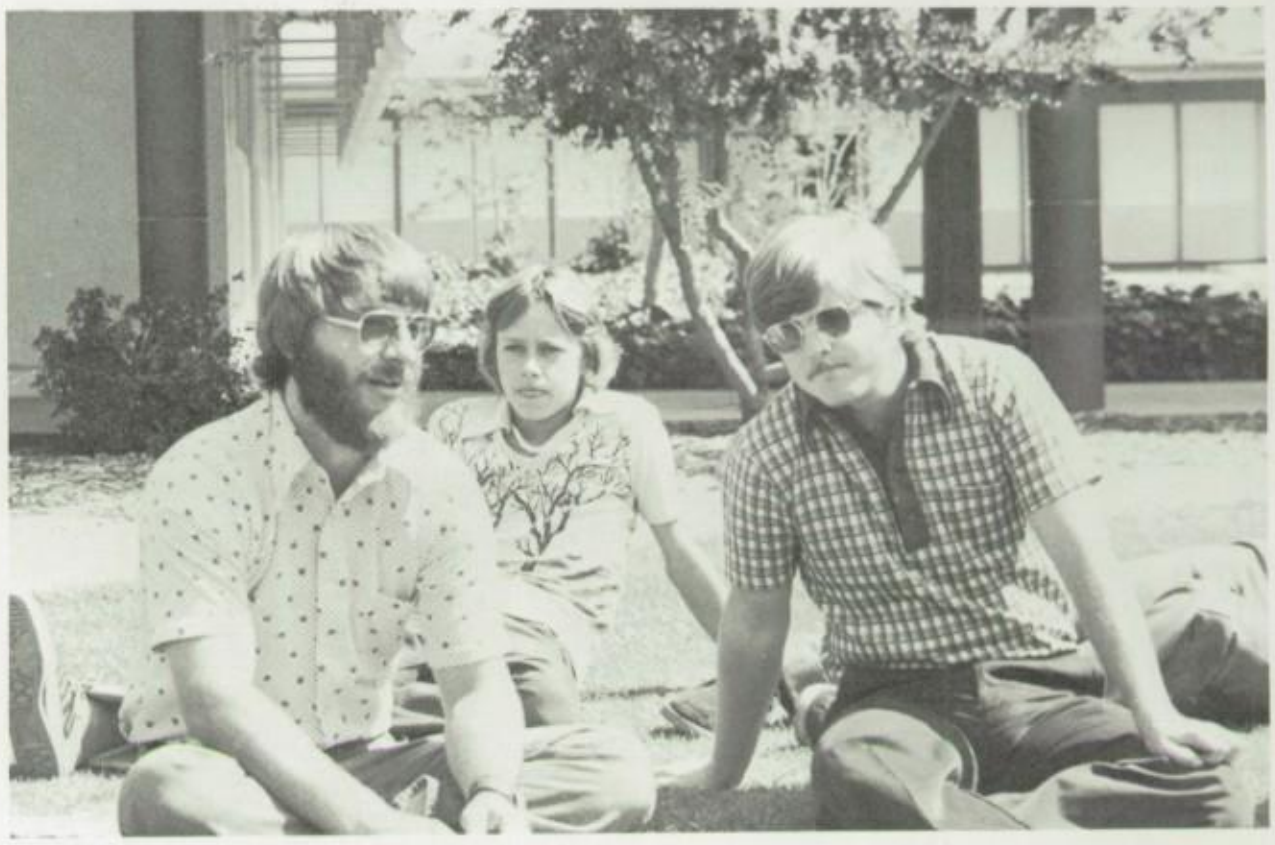
IT'S A ROCKET

Mr. George Merrill, advisor of the Mt. Eden Rocket Club helps interested students to build and launch their own rockets. These students meet regularly to discuss their progress and to work out problems they have encountered.

College-bound students at Mt. Eden have banded together to form

MESS

Mt. Eden Scholarship Society. Their dedicated advisors, Mrs. Booth and Mr. Hokom help them prepare for college by organizing scholarship opportunities and giving them information about entrance applications and forms.

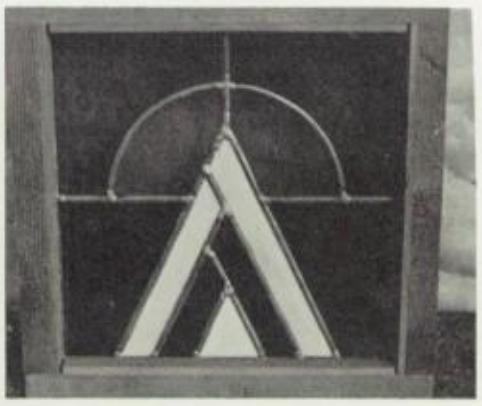


It all began with

ADAM AND EVE.

This year the Bible Study Group did more than just study the bible. Although this was their original purpose, Mr. Licata and the group provided guest speakers such as Dawson McAllister and folk singers, ministers, and various leaders from local churches. The Bible Study can often be heard singing on People's Plot each Thursday.

Backpacking



This year marked the birth of

A NEW ORGANIZATION

on campus, Mt. Eden's Backpacking Club. Its purpose was to give interested students a chance to escape from urban life and enjoy the wilderness by means of backpacking.

The first activity planned was "Monte Carlo Night", a fund raiser where everyone got a chance to become a big time gambler for the night.

In order to prepare for the summer pack to the Sierras, several short trips were taken. Some people had no trouble on these hikes, but others found that backpacking involved more than they had anticipated.

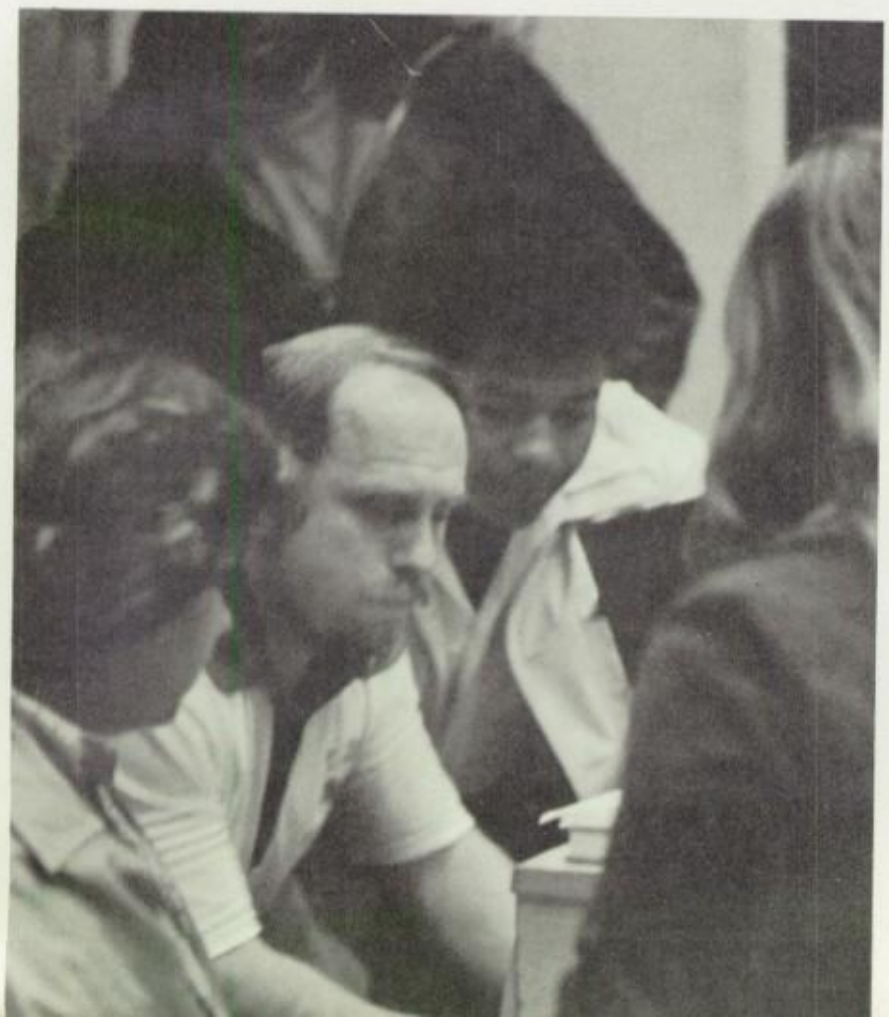
Advisor: Mr. Southard
President: Susan Stahlek

"I've got the music in me"

SOUNDS

of the times could be heard coming from the band room this year. Under the direction of Mr. Woolston, the band performed several concerts as well as marching at a few football games. They worked with the choir to put out a Christmas special.

Practice and patience is the name of the game in music and this Mt. Eden's band showed that both pay off.



HARMONY

is a hard thing to achieve in music, but this year's choir exceeded all expectations. Under the direction of Mr. Fitzell, the largest choir in HUSD put on some outstanding performances. To go along with the variety of races in the choir they covered a variety of musical interests from pop to jazz and soul to classical. The choir also has a good future ahead of it; none of the choir members are graduating. So they'll all be back. With a little bit of luck the trend shown this year towards music will continue on till next year and Mt. Eden's choir will keep growing.

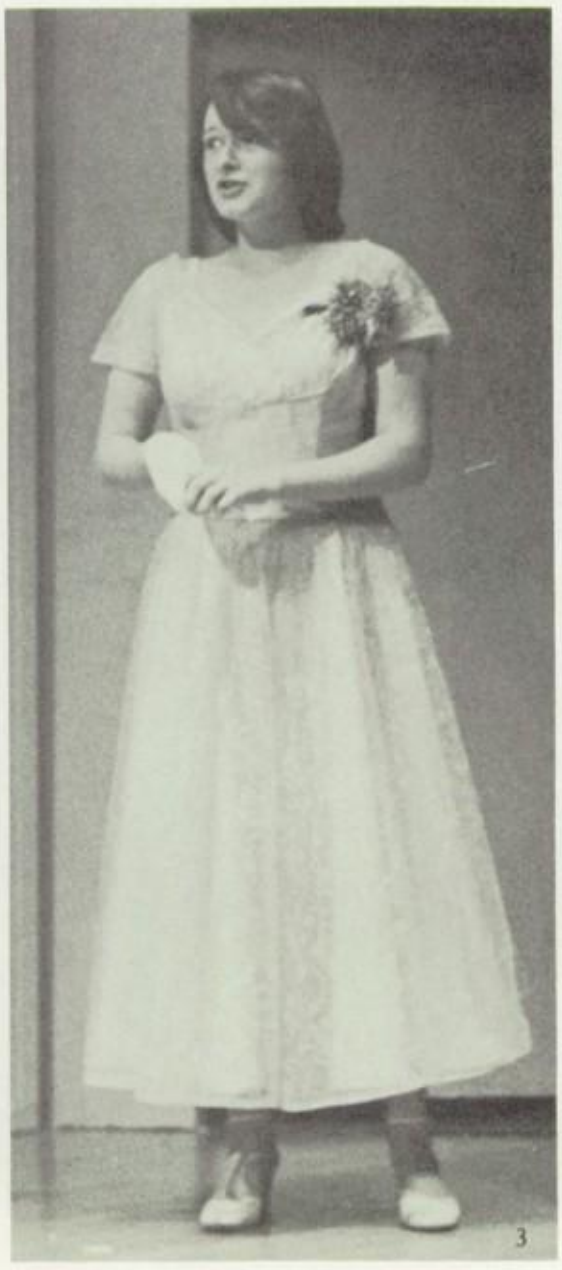
Even though this season's

SNOW

was long in coming, Mr. Yandell, the Ski Club Advisor, managed to round-up enough interested M.E. students and former students to take a few ski trips to Bear Valley, Alpine Meadows, and Badger Pass.

Ski Club also went on a "get acquainted bicycle trip to Sausalito and attended three ski shows.

1. Mt. Eden's 1976 Ski Club.
2. Nancy Berklin gets ready for the slopes.
3. Mr. Yandell
4. Peggy Whitman, Marvin Ruenz and Neil Kernes enjoy the snow.
5. Former club members enjoy the trip with the club.



Ms. Arnold, the

DRAMA CLUB

advisor has one of the wealthiest clubs in Mt. Eden.

The purpose of Drama club is to raise funds so that the members can travel to the A.C.T. Theater in San Francisco. They have raised money by putting on short plays during lunch titled "Poverty Theater" and a stage production of "Bad Seed."

The money also goes towards drama scholarships for deserving seniors at graduation each year.

ENTHUSIASTIC

were this years newly added Junior Varsity squads. Under the direction of Mrs. JoAnn Wright, a yell-leading, a song leading, and a letter-girl squad were put to work.

These girls attended the J.V. games and did their best to support their team and promote spirit.

Junior Varsity Songirls: Michele Paladini, Phyllis Pappas, Sonja Garrido, Tyra McGrew

The Playgoer's under the direction of Suzanne Kindle planned activities that made it possible for members to

concerts, and expositions around the Bay Area. Some of the activities they attended were a play at S.F. State University and the Dickens Fare.

The Weightlifters club was an organization which has been designed to appeal to those Mt. Eden Students, young men and women, who are not actively involved in any winter sport. The club also appealed to those students who wished to

STAY IN GOOD SHAPE

or become more physically fit. Although weight lifting was the major activity of the group, members were also encouraged to compliment their lifting with some type of running program

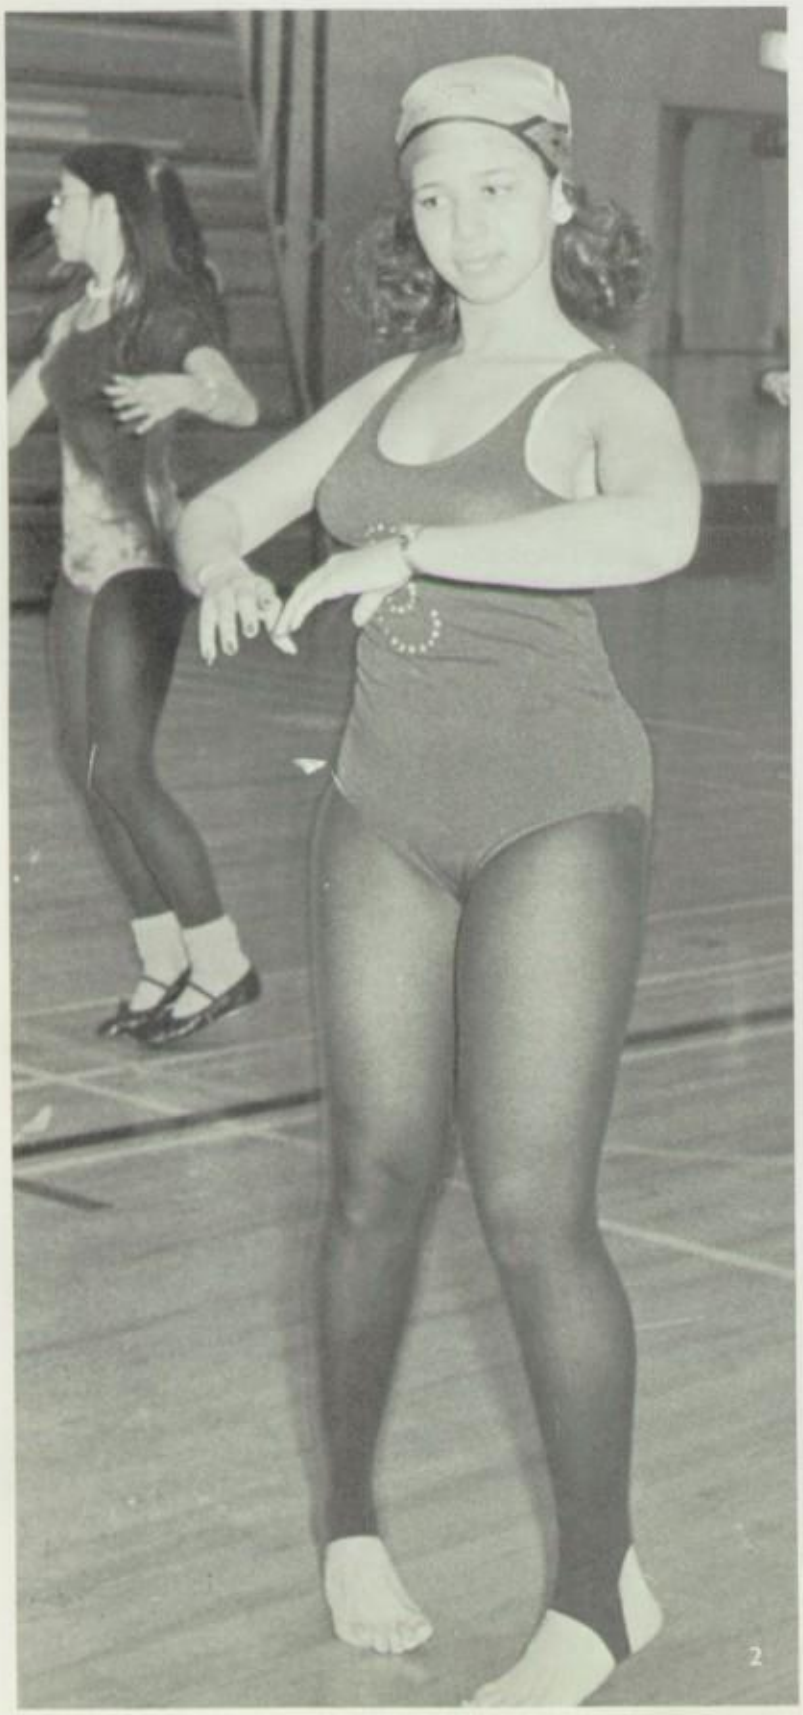
PEER GROUP COUNSELING

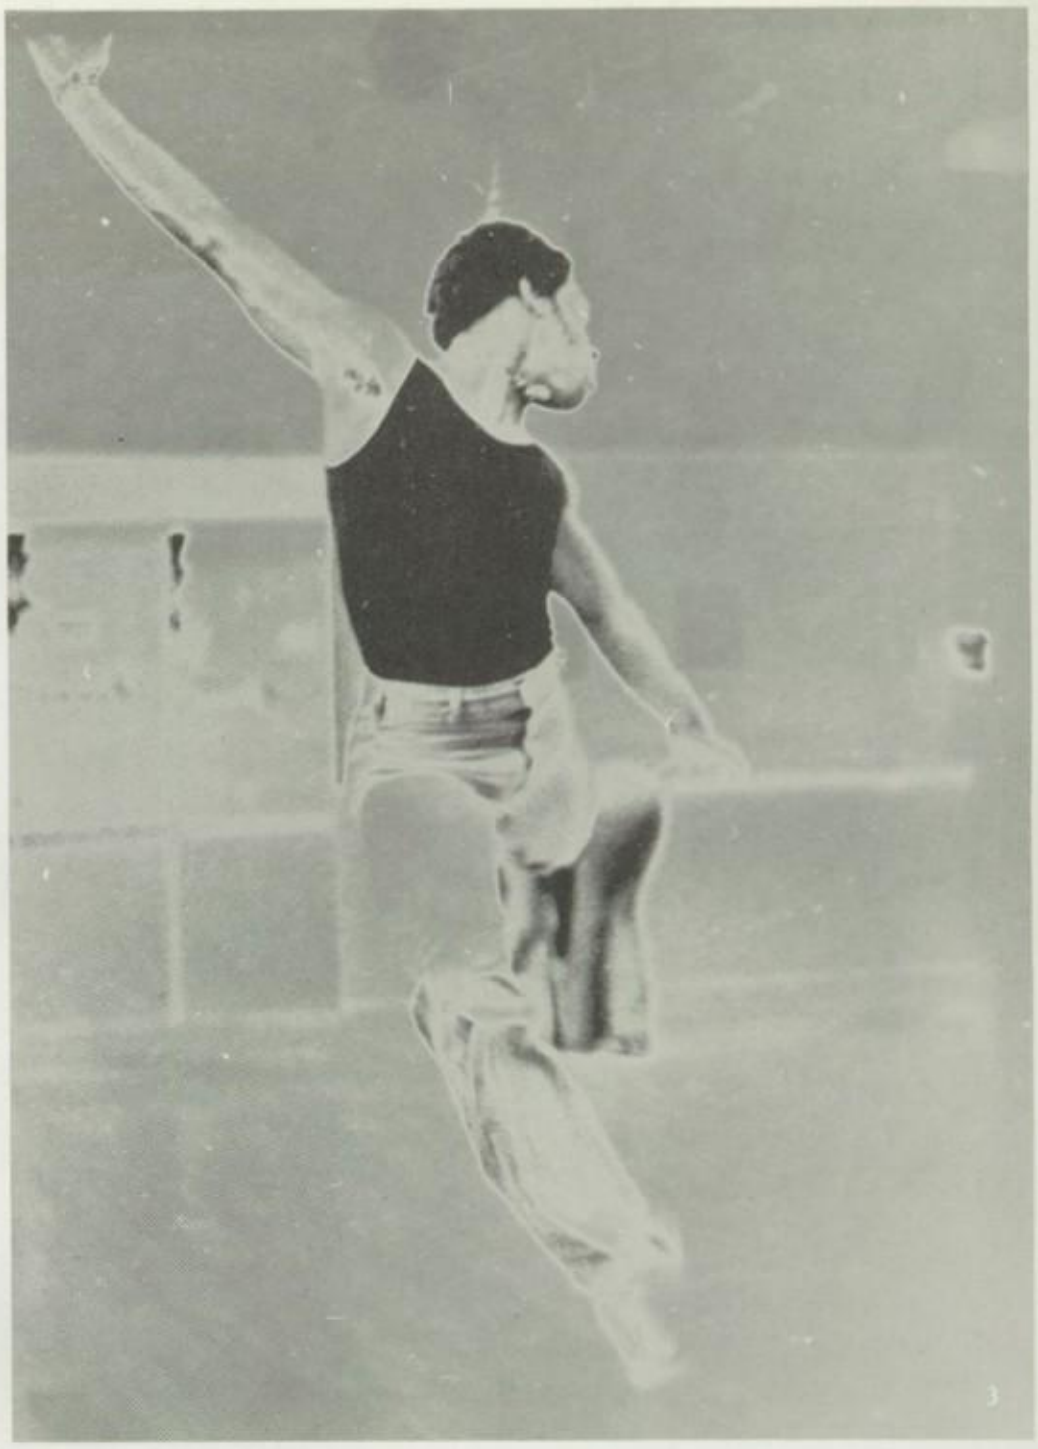
was established to inter-relate with problems of the human existance, to develop an awareness and understanding of human problems and as training program for highly motivated students in the art of basic psychological counseling techniques. To enable students to assist and help other students with family, social and personal problems.

This year Mr. Fitzell, the choir advisor, successfully formed an advanced group of singers into what was called

BLACK AND WHITE RELATIONS

It was set up to attract more interest in choir, to provide the school with a show choir, and to give advanced students a chance to learn something new. They performed at Mt. Hood College in Oregon on February 7.





This years

DANCERS

kept the bicentennial in mind in the creating of their dances and the choosing of their music and costumes. The dances ranged through the various styles of our times. Everything from the charleston to afrohasian was used in the concert.

Ms. Black advisor of the dance club choreographed a number of large group dances for the dancers to perform. The evening was a delightful experience for both the dancers and the audience. The performance was held on March 24, 1976 in Mt. Eden's gym and was an overwhelming success.

UNITY

was the major goal that the Black Student Union tried to achieve among the black students this year. Led by their president, Sharon Jordan and vice-president, Derek Gilliam, the organization sponsored a dance and at Christmas gave a party for the children of the BSU families. Coach Matthews, one of three advisors for the club played Santa Claus for the kids. Mr. Wilson and Mr. Fitzell, the other advisors participated in planning and carrying out activities.

Student Advisory Committee

STUDENTS

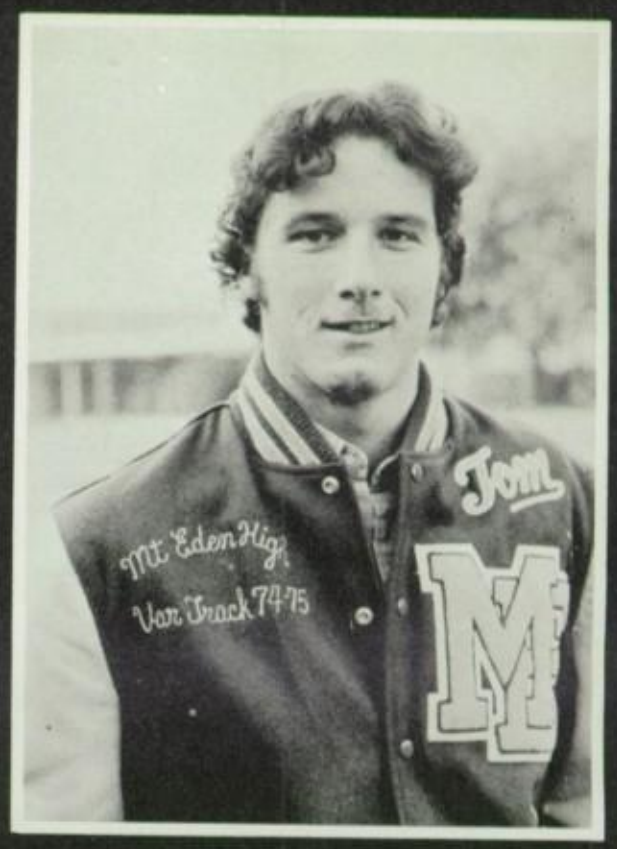
from all walks of life represented their class or favorite activity in S.A.C.

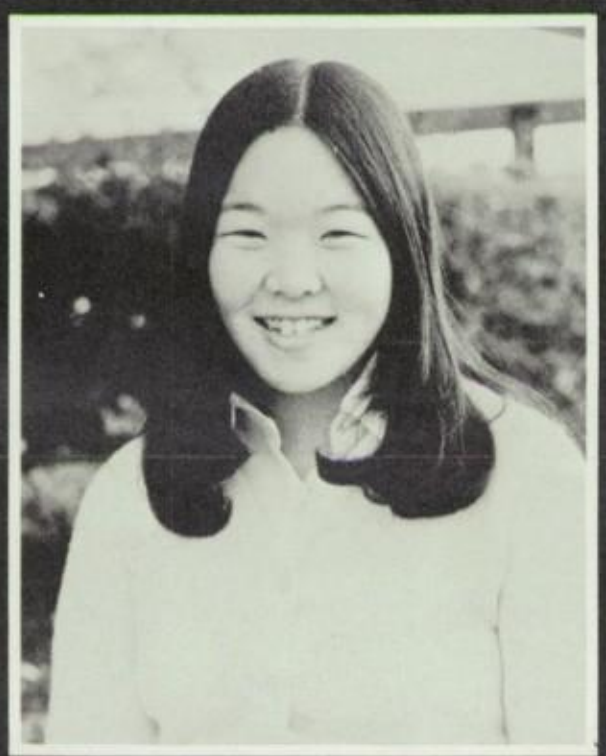
It was here that students had a chance to discuss and vote on current issues at Mt. Eden.

Not only did they work on the rules for Monarch Day and Spirit Week but helped formulate student opinions on the fencing proposal, smoking on campus, and various other activities.

This years presiding president was Edie Highley.

BOARD OF DIRECTORS '75 AND '76





"Whether or not you

AGREE

with others, you have the responsibility to represent their point of view." This is the philosophy that guided the B.O.D. this year. The student body officers and class presidents who comprised the Board did not always agree with what certain interest groups or even each other wanted, but because they were elected to represent everyone, they did.

This years officers were:

President - Kelly O'Lague, Vice President - Edie Highley, Secretary - Julie Doss, Recorder - P.J. Rishel, Commissioner of Entertainment - Cindi White, Commissioner of Boys Athletics - Tom Grafton, Commissioner of Girls Athletics - Glenna Pickel, Publicity Director - Jackie Gee, Mascot - Gale Medieros, Head Song-girl- Karen Talken, and Head Yell-leader - Beverley Holland

There's never a dull moment in a room of minds going full force, preparing for their next big deadline.

But when the LION'S TALE staff put their brilliant heads together, they come up with a school paper that is one of the

TOP BAY AREA PAPERS

Half of last year's staff returned this year, with experience, their own ideas, and enthusiasm . . . the qualities it takes to put out a good paper. The LION'S TALE has a newer and sleeker look, in terms of contents. The staff perfected its paper by keeping up with what went on in the whole school. Editors Chie McShane, and Kate Sheridon, as well as advisor Miss Weiner, all attended a summer program to help organize production at Cal State. They all agreed it was a fine program, with many helpful ideas.

Chie and Kate were finally able to explore the real problems of the school community, and felt satisfied things went so well. "We've got a good paper" stated Miss Weiner "and I feel really good about what the staff has done."

A bit beyond this days small scope
A new day dawns thats bright with hope
A new tomorrow-unborn yet
Where new joys help us to forget-
Not love that blessed the happy days
Not tenderness and loving ways
But sorrow that has left its mark
And faith that's lost it shining spark
Yes just beyond this day's small scope
A new day dawns that's bright with hope
Where there is comfort and release
Where there are memories, joy, and peace

Yesterdays, Todays, Tomorrows . . .

all have blended together to form our lives this year as well as to form the pages of this book. '76 has come and will soon be gone, day by day just as every year, but somehow it was special . . .

It was special because it was the 200th Birthday of our country and the 100th Birthday of our city. It was a special year for sports at Mt. Eden with championships in varsity football, girls volleyball, varsity soccer, and varsity wrestling. It was special for the Senior Class to win both Monarch Day and Spirit Week in their last year. It was a special year for the Juniors because they were the first class to have their Jr. Prom off campus. It was special in the area of student's rights because for the first time, students could smoke on campus. Yes, it truly was . . .

The Year of the MONARCH!

SPRING 1976

Mt. Eden High School
Hayward, California

The 1976 convention will go on record as the shortest in Mt. Eden High's convention history. Within 3 hours of the start, most students were on their way to the beach.

Due to some rule changes, limiting decorations and caucus time, the convention went smoother than ever.

Mr. Larry Ratto, Vice-Principal of Hayward High and newly elected city councilman, gave the keynote address, challenging the delegates to elect competent dedicated officers.

The Mount Eden class of 1977 showed "A Touch of Class" by having the very first Junior Prom

off campus

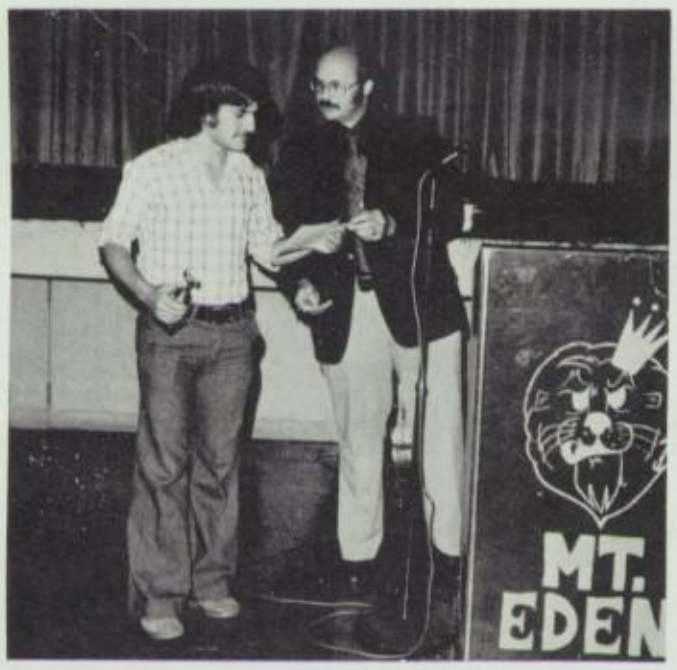
On April 10th, couples came to the Holiday Inn in Oakland dressed in formal wear expressing their individual moods for the evening.

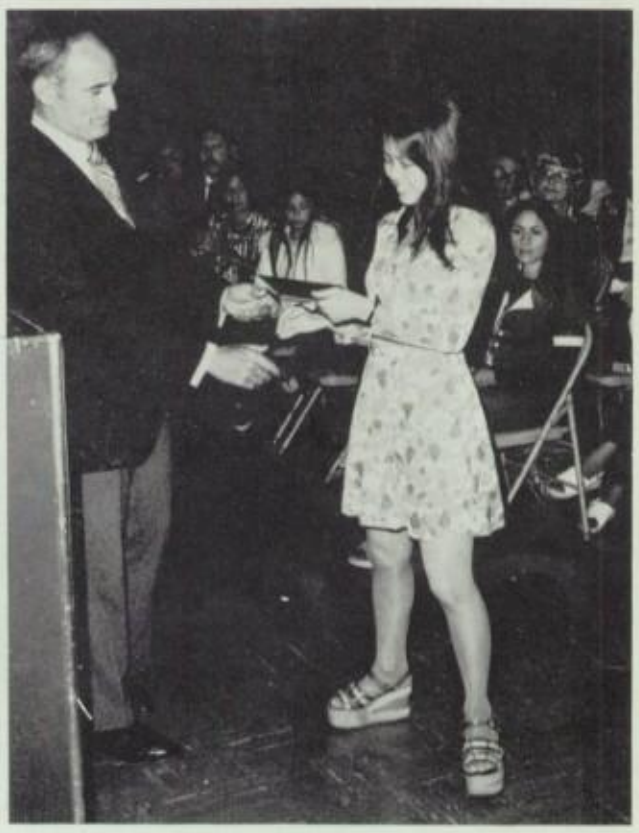
The Prom began at 9:00 p.m. with the music of Kalyaan. Surprisingly enough the sounds of Kalyaan impressed everyone.

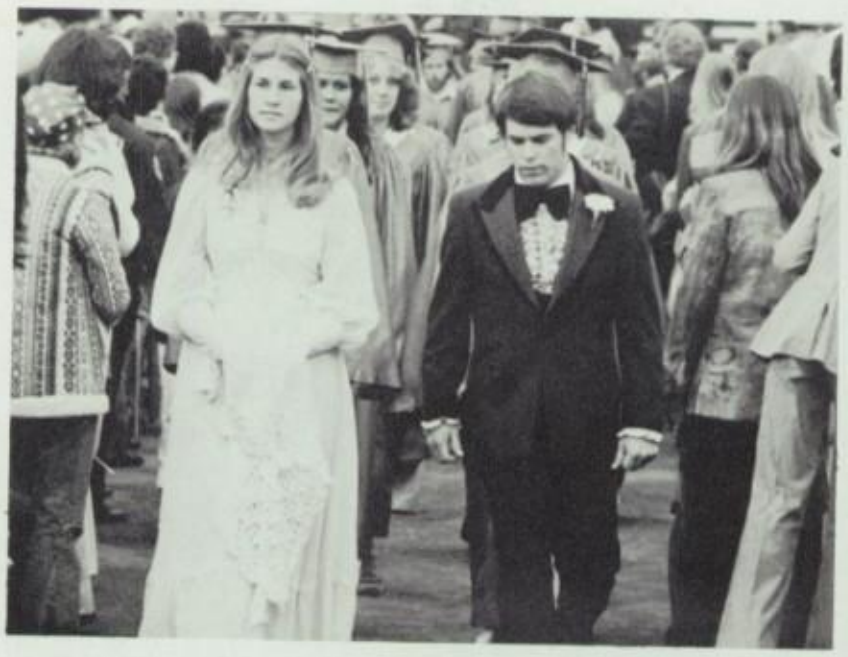
Couples danced away until the close of the Prom at midnight.

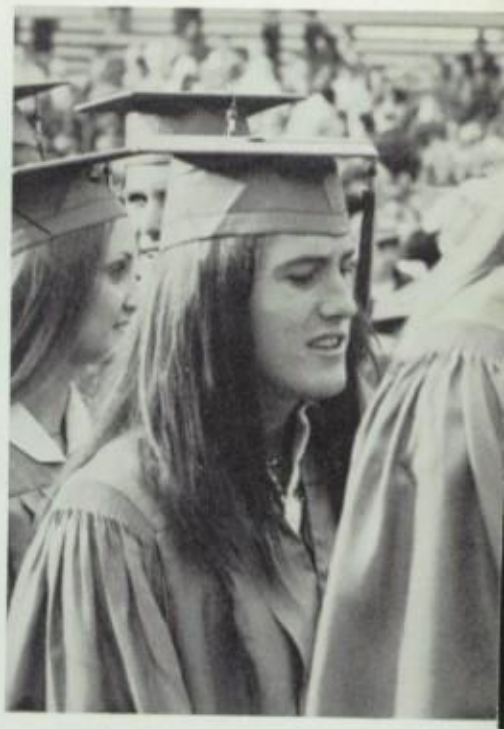
To achieve ones goal

is the greatest satisfaction. To recognize accomplishments motivates others to achieve great things in their lifetimes.









With their families and friends looking on anxiously through the drizzle the

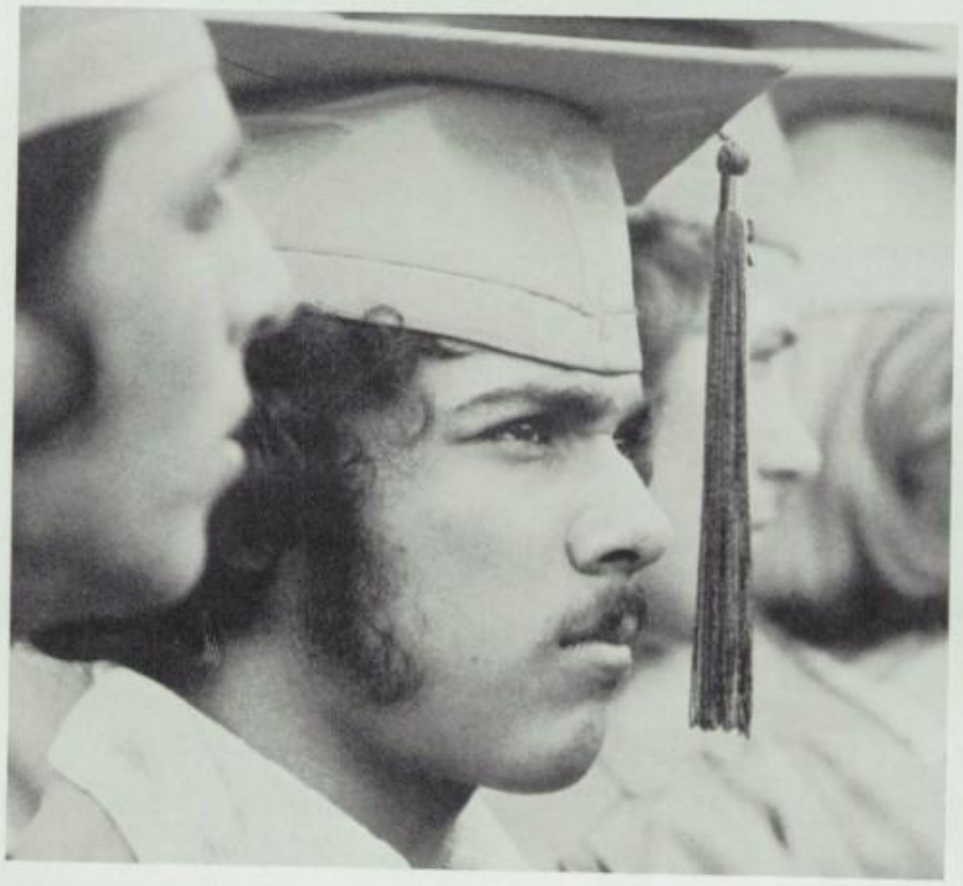
class of '76

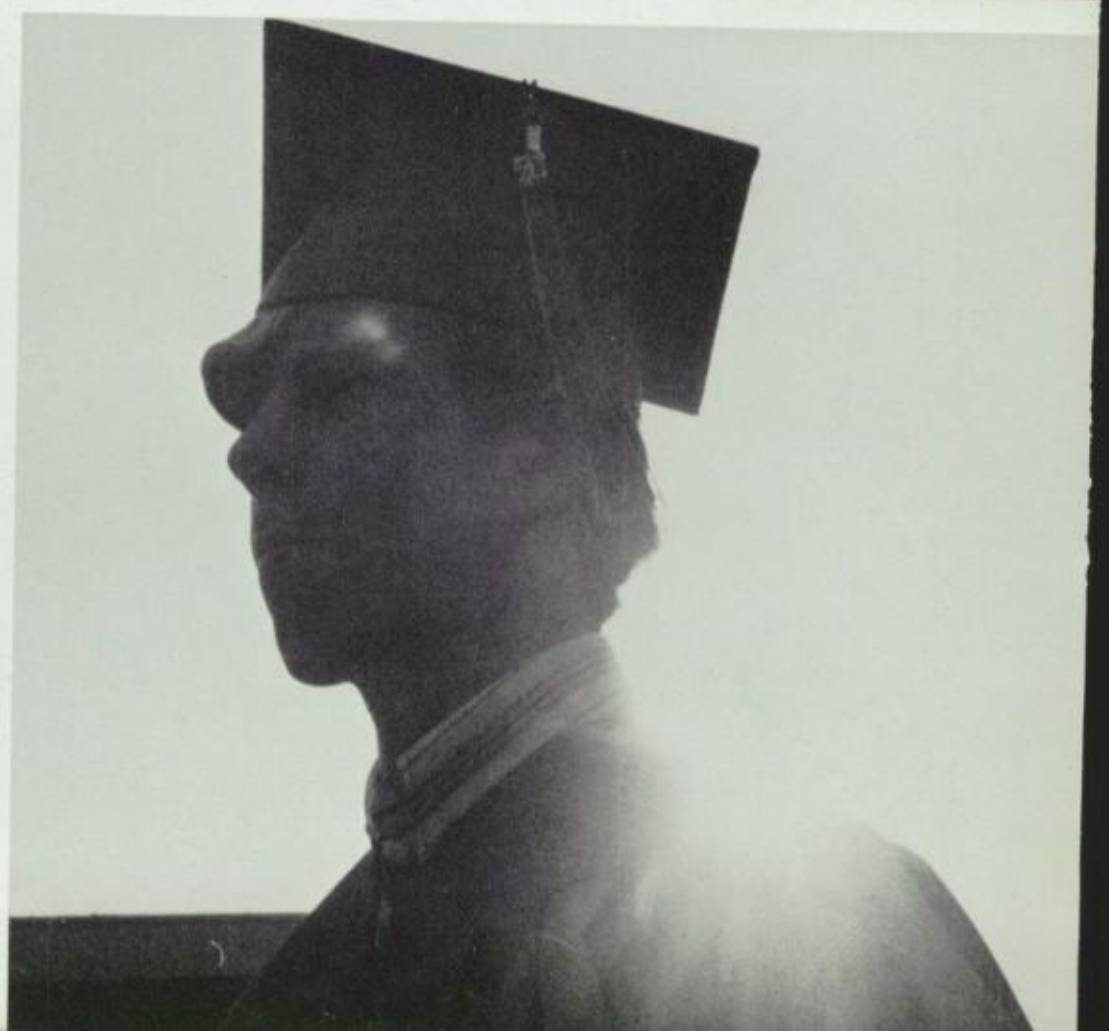
marched into Mt. Eden's quad on June 9th to begin this years' commencement ceremonies.

After the invocation given by teacher Glen Buckner, principal Howard Moffitt welcomed everyone in the opening address.

Student speakers for the evening were Kelley O'Lague, 1975-76 Student Body President; Lynn Miller and Senior Class President Mike Glasky who presented the class gift to the school; a portable popcorn popper.

Finally diplomas and congratulations were distributed by Mrs. Joan Hamblin, a member of the school board.





Signing Yearbooks

seemed to take preference at the Senior Breakfast over everything but eating! Along with good-byes, gifts were also given to the senior counselors in appreciation of all the help they've provided.

The 1976 season was both a building year and a

learning experience

for Coach Gary Rodgers and the tennis team. Led by All-League performers Ross Roden and Jay Riddell the Monarchs posted a 9-7 record. Their record only warranted a disappointing fourth place finish. Freshman Ferdinand Santiago played superbly and was voted the team's Most Improved Player. Jay Riddell was the team's Most Valuable Player for the second straight year. The team was a young one, but with all but three varsity team members returning next year Mt. Eden's tennis team should be a contender.

This year's Frosh-Soph Baseball team was only able to obtain a 5 and 9 record. This was a

BUILDING YEAR

for the team. With most of last year's team now playing Varsity and JV, this year's team was mainly staffed with freshmen. Although they didn't have a winning season, the team gained valuable experience for future seasons.

The following were members of the Frosh-Soph team: A.Araya, T.Beaty, J.Birdsell, R.Elizalde, R.Estrado, M. Hoffman, J.LaCombe, T.Lum, R. McGrew, K.Miles, C.Moore, G. Oliver, M.Orozco, P.Regier, E. Skivers, G.Walters.

This year's J.V. Baseball had a very

successful season

The team compiled a 10-6 record and finished in third place. The highlight of the season was the 5 to 3 win over league champs and then undefeated Marina. This year's J.V. Baseball team certainly provides a base on which to build next year's Varsity team.

'The following were members of the J.V. team: B.Beaty, D.Brager, D. Candelario, D.Chapman, P.Estrada, V.Fererra, J.Gonzales, R.Gray, R. Gray, J.Hernandez, J.Higares, M. Hoffman, B.Jakub, E.Kelton, D. As it went for most of the sports, it truly was

the year of the Monarch

Coached by Mr. Devitt, the 1975-76 varsity baseball team did a great job.

They played well enough to achieve 14 wins and 6 losses. As they advanced to the play-offs, they had a good chance at the title but ended the season in an overall second place.

Chosen most valuable player and unanimously voted to the All South County Team was Rob Jessen. Scott Bauer was chosen as the Most Improved player.

The only quote made by Coach Devitt concerning this year was. . . "Second best season, second best team."

Although the 1975-76 Girl's Badminton team won only a single match, they had the

enthusiasm

and spirit of a winning team. Each of the team members possessed determination but lacked the needed skill when faced with tough competition.

With the experienced players returning next year, the Badminton team coached by Miss Johnson should have a stronger, More Qualified team.

Ana Orubeundo was the most valuable player this year, according to the Coach Ms. Black. She played left and center field, and also played errorless softball along with hitting safely in all the games.

The majority of the team members will return next year for a more successful season.

The Frosh-Soph (B) track team had nothing but a

winning season

Their League record was 8 wins and 0 losses. The "B" team were dual meet champions and H.A.A.L. League champions and also NCS-2A champions.

Six new school records were set this year. 1-Maomao Lualemana Shot put 54'10 ½" and threw the discus 141'. 2-Tony Woods high jumped 6'6 ¼". Tony also set a meet record. 3-David Reed ran the 220 yd. Dash in 23.0 and triple jumped 44'1". 4-Rod Avery ran the 330 yd. low hurdles in 42.4.

The Frosh-Soph team took five first places at the League meet.

1. Mt. Eden's 1976 Jr. Varsity Track Team.
2. Mile Relay Team makes the hand off.
3. Maomao Lualemana clears the jump.

3. Cepheus Johnson triple jump's his way to the State Meet.
4. Jimmy Masingale keeps a step ahead in the 880.
5. Jeff Evans leaned into a 1st place finish.

The Mt. Eden Monarch's Varsity track team displayed their outstanding abilities in team work at the H.A.A.L. League Relays this season by placing 2nd over all.

The team league record was 4 wins and 4 losses. A standout performance was turned in by Cephus Johnson who was not only the league meet champion with a triple jump of 47'7" but also set a new school triple jump record of 49' and a NCS*2A record at 47'10"

Coach Ray Costa is to be commended on a fine coaching job this year.

It isn't easy to have a winning season when you have a new coach and very little depth. These were the feelings of the new swim coach, Mr. Steve Southard. The varsity had strong individuals but not enough to win. The varsity finished with a 3-5-1 season while the B Team took the championship. Many of the B's could have swam on varsity but that would have weakened the B Team.

Varsity: L TO R; KNEELING-Jeff Johnson, John Beaber, Kirk Souza, Bob Peters, Bob Killin; STANDING-Mike Dukart, Paul Wichman, Dale Temple, Jeff Neish, Paul Young, Dave Roberts.

2

1. Superstar Jeff Neish shows his fantastic ability to breathe.
2. A new comer to the team this year, Bob Peters, counts his seconds with coach Steve Southard.
3. Paul Wichman and his straight-shooting dive.
4. The only girl on the team, Pam Rishell does one of her great dives.
5. Another one of ME divers shows a perfect form.

The Senior year is a costly one and the principal fund-raiser for the class is the annual Senior Show.

"You ain't seen nothing yet"

was the name of this years extravaganza. The show opened with a Caberet act which set the stage for master of ceremonies, Kerry Ainsworth.

Standouts in the two night show were Ken White, with a demonstration of martial arts and Chuck Amaral with his drunken magician act.

Mr. Wick was the advisor of the show which was directed by Bill Paras.

1. Mr. Moffitt greets John Burton and Pam Nobriga and gives them their bid.
2. A group of seniors and their dates take a break from the evening's festivities to pose for a picture.
3. Kevin Byrne, Cheryln Cochran, P.J. Rishel, Armando Orubeondo, Cindi White and her date.
4. Linda Decosta's date serenades her as they dance.
5. French Pastry and Chocolate Mousse were enjoyed by everyone.
6. Brian Olund and Richelle Lee certainly are happy to arrive at the Senior Ball.
7. Music by SASS.
8. Mt. Eden's faculty enjoy the evening too.
9. Pete Merrin has got the "Boogie Fever."

This years Senior Ball was held in the Elizabethan Rooms of the St. Francais Hotel in San Francisco. For the first time Seniors did not eat dinner at the Ball, but they were,

treated

to French Pastry and Chocolate Mousse.

Music was provided by SASS from 9:00 p.m. to 1:00 a.m. The beauty and grandeur of San Francisco by night lent a special touch to this years Ball.

Couples could be seen riding the outside elevator to the penthouse throughout the evening.
